**Phone:** +91-9860575313

---

### Profile

---

Accomplished Six Sigma professional with a robust foundation in Global Quality Process Excellence and Project Management. A experienced Six Sigma trainer, mentor, and coach for global teams, specializing in problem-solving techniques and operational continuous improvement. Holding a Lean Six Sigma Black Belt certification with over 12 years of experience in the variety of manufacturing sector.

### Skill Highlights

---

- Six Sigma trainer– DMAIC, DFSS Methods
- Project Management Office (PMO) development & management.
- Proficient on PMO tools - Smartsheet, MS Projects, Minitab, MS Onenote.
- Expert in Minitab statistical analysis
- Core Technical - Mechanical & Polymer
- Projects Expertise in Mfg, IT, Supply Chain & QA
- Problem solving & data analysis
- Excellent Communication & Presentation skill
- Lean Manufacturing, Visual management, Kaizen & 6S Expert.
- Continuous Improvement Champion
- ISO & Quality Management System
- Trainer & Mentor for Six Sigma & Lean Manufacturing.

### Accomplishments

---

- **Global Six Sigma Trainings** – Delivered 50+ six sigma trainings to Local & Global teams & 500+ Employees trained for six sigma methodologies.
- **Successful Process Improvement Projects** – Successfully executed over 100 Six Sigma projects across a wide spectrum of domains, including Supply Chain, Manufacturing, IT,

Accounts & Finance, Product Quality, International Operations Support, Product Development, and HR.

- **Work Experience**

---

**Lead- Global Quality Process Improvement** – Aug 2021 to till date

**Organization:** Hyster-Yale Group

**Job Profile:**

**1. Six Sigma Training Delivery:**

- Conduct Six Sigma training sessions globally for Green Belt, Black Belt, and Yellow Belt levels.
- Develop training materials, modules, and resources to ensure effective knowledge transfer.

**2. PMO Development and Management:**

- Establish and maintain a Project Management Office (PMO) utilizing Smartsheet.
