OVERVIEW OF THE INDUSTRIAL VISIT:

Shri Sant Gajanan Maharaj College of Engineering had organized an Industrial Visit for 3rd year Information Technology from 19th March 2025 to 22th March 2025 where we visited **Value Momentum in Pune Region**.

The visit was organized with prior permission and guidance of Hon. Director Sir, Hon. Principal S.B. Somani and the Head of IT Department Dr. A. S. Manekar and HOD of CSE Department, Dr J. M. Patil Sir.

Prof. C. M. Mankar, Prof. S. S. Muddalkar, Prof. Ms. N. N. Ghuikar, Prof. B. S. Nawale, Mr. V. P. Kathane and Mr. S. V. Mahale were the coordinators for this Industrial Visit.

DETAILS OF OUR JOURNEY:

- We started our journey from the college at 7:00 A.M via our college bus on 19th March 2025 along with our coordinators.
- On our way we visited Shri Datta Digambar Temple at Newasa-Devgad and Ranjangaon MahaGanapati Temple

Visit to Ranjangaon Maha-Ganapati Temple

- We reached at Shri Sant Gajanan Maharaj Bhaktnivas, Alandi at 9:00 P.M
- On the next day, 20th March 2025, we visited ValueMomentum at 11:00 P.M.

Visit To Value Momentum - 1

Session Highlights:

1. Introduction

As part of our academic curriculum, we visited **ValueMomentum**, a leading IT solutions provider in the Insurance and Banking sector. The objective of this visit was to gain real-world insights into how technology is used in the industry, understand the expectations from future professionals, and learn about behavioural and technical competencies required in the corporate world.

Visit To Value Momentum - 2

2. About the Company

ValueMomentum is a technology solutions company primarily focused on delivering IT services and solutions for insurance and banking industries. The core operations involve:

- Development of software systems
- Maintenance of existing platforms
- Testing and quality assurance
- Use of modern tools and software engineering practices to ensure efficiency and innovation

3. Session by Mr. Partha Sen (Business & Technical Insights):

Mr. Partha Sen highlighted the core business areas and industry expectations for aspiring professionals.

- **Core Focus:** Mainly insurance services, with some banking operations.
- **Importance of Insurance:** Essential for managing risk in personal and business domains.
- **System Needs:** Involves software development, maintenance, and testing.
- **Technologies Used:** Primarily Java, SQL, and fundamental software engineering practices.
- **Student Expectations:**
 - Shift mindset from student to professional
 - Value time, discipline, and continuous learning
 - Strong grasp of technical basics and adaptability to change

Session by Mr. Partha Sen

4. Session by Ms. Pinky Mujumdar (HR Manager):

Ms. Pinky Mujumdar focused on the behavioural and professional qualities expected from new entrants in the IT industry.

Key Highlights:

- **Behavioral Aspects:**
 - Learning Agility: Ability to learn, unlearn, and relearn quickly.
 - Intrapreneurship: Taking initiative and ownership like an entrepreneur within the company.
- **Professional Competence:**
 - Basic Insurance Knowledge is a plus.
 - Good communication skills to convey ideas effectively.
 - Strong business acumen to understand the broader picture.

Session by Ms. Pinky Mujumdar

Summary:

The industrial visit to ValueMomentum was an enriching experience. It provided us with a clear understanding of how insurance and banking sectors rely heavily on IT solutions and what is expected from us as future professionals. Both technical and behavioural competencies were emphasized, indicating that success in the industry requires a blend of knowledge, adaptability, and professional discipline.

Exchange of Appreciation Letter for the Industry Visit

- We Left valueMomentum At around 2:30 PM. And from there we went to visit Phoenix Mall of the Millennium followed by Shri Swaminarayan temple

Visit to Shri Swaminarayan Temple, Wakad

- We left the Swaminarayan temple at 6:30 PM and reached Alandi by 8:30 PM.
- Next day we went to Imagicaa Theme Park. We left Alandi at 7.30 AM and reached Imagicaa at 11:00 AM.

VISIT TO IMAGICAA THEME PARK

After our insightful industrial visit, we got the opportunity to unwind at **Imagicaa Theme Park**, one of India's most popular entertainment destinations. The visit provided a refreshing break and helped us bond with our classmates and faculty in a relaxed setting.

From thrilling rides to fun attractions and scenic surroundings, the experience at Imagicaa was full of excitement and joy. It was a perfect blend of learning and leisure, making our industrial visit both informative and memorable.

Glimpses of Visit To Imagicaa Theme Park

- We spent the day at Imagicaa and returned to Alandi by 9.30 PM.
- On the next day i.e 22th March 2025 we left Alandi at 8 AM . On our way back to Shegaon we visited Chhatrapati Sambhaji Maharaj Samadhi,Tulapur and Shani Shingnapur

Visit To Chhatrapati Sambhaji Maharaj Samadhi at Tulapur

- Then we reached Shegaon at 8:30 PM.

CONCLUSION:

Our industrial visit was a perfect blend of **learning, cultural enrichment, and recreation**. Each day of the trip offered unique experiences that contributed to our personal, academic, and professional growth.

On the first day, we began our journey with spiritual visits to **Ranjhangaon Mahaganpati** and **Shri Datta Digambar Temple, Devgad**, setting a peaceful and positive tone for the days ahead.

The second day was focused on industry exposure, where we visited **ValueMomentum** in Pune. This visit provided valuable insights into the IT industry's role in insurance and banking, as well as the technical and behavioral expectations from future professionals. Later, we explored **Millennium Mall** for some leisure time, followed by a serene visit to the **Shri Swaminarayan Temple** in Pune.

The third day was dedicated to fun and relaxation at **Imagicaa Theme Park**. It gave us a chance to unwind, enjoy thrilling rides, and strengthen our bond with classmates and faculty.

On our return journey to Shegaon, we visited the **Chhatrapati Sambhaji Maharaj Samadhi** at **Tulapur**, which offered a glimpse into Maharashtra's rich historical heritage. We also paid our respects at the sacred **Shani Shingnapur** temple.

Overall, the trip was an enriching and memorable experience. It balanced professional learning with spiritual and cultural exposure, helping us grow as individuals and future professionals. We are grateful to our college, faculty, and for organizing such a well-rounded and impactful visit.

Thank You!
