Industrial Visit To pandayG.com

Hyderabad, September 6, 2017

The students of Shri Sant Gajanan Maharaj College of Engineering, Shegaon from Third year Computer Science and Engineering and Information Technology visited a startup called pandayG.com on September 6, 2017. The students departed from hotel at 8.30am, then after 2hrs30min travelling ,the students reached to the destination i.e the startup company pandayG.com, located at Chaitanya Enclave, Khajaguda, Hyderabad, Telangana.

During visit, the students came to know about the working of the company. Similarly a wonderful guidance was given to the students regarding their final year projects and the sectors of development in IT industries. They provided students with a motto for the projects as *“Plan, Search, Divide in Modules & Work”*.

According to the Information obtained, pandayG.com is a startup company founded by Nitin Sharma and Sahil Goyal in the year 2016. It is a platform to enable the small businesses to build their online reputation. The website is an affordable and easy to use e-commerce website. It uses a secure and faster technology. Any shop can become an e-shop using the pandayG app and website.

SESSION 1: The great exchange of information took place from 11 am to 12 noon in between one of the employee and all the students, ideas regarding to the projects were discussed effectively. Then they asked students their opinions regarding to projects and according to student's thought process valuable guidance was provided to all the students. Queries regarding the modern technologies were solved.

SESSION 2: The interaction with Mr. Nitin Sharma gave students a new perspective towards startups and their own businesses. The session started at 12 noon, queries regarding to job requirement were cleared. All students were motivated by their great words.

Faculty & Students of SSGMCE, Shegaon at pandayG.com, Hyderabad.

This visit was concluded with the Vote of Thanks.
