

1. Background

In the year 1968 Mr.Dattatraya T. Wadhokar took his first step to success story in a rented shed at Kalas with a small fly press machine to manufacture sheet metal part. With an astute sense of business, dedication and hard work he transformed it into group of 18 industrial units. Today it employees more than 1500 people and has attained sale of rupees Rs.4950 million in 2012. Known for its excellent customer service and state-of-the-art technology in use, it is one of the most trusted names in metal pressing & pipe assembly. His sons, Mr.Manohar Wadhokar, Mr.Suresh Wadhokar and Mr.Jagdish Wadhokar joined the business, one after another to further accenture its growth.

The man with a vision, driving force behind the phenomenal growth of Wadhokar Group of Companies a technocrat par excellence and man of piety, simplicity and understanding, these words can describe Late Mr. Manohar D. Wadhokar. God always wishes human beings to complete their mission and return back to him, and here was a man who was in a hurry to finish his mission. The calling came and he left us at a young age.

Till today, group has expanded its operations to plastic moulding components, filter components, heavy fabrication as well as agriculture sector. On the other hand group has taken social responsibility as its ethical duty and has been arranging blood donation camp on 1st of every year since last 7 years in the loving memory Late Mr.Manohar Wadhokar.

We tend to affirm our dedication to customer service at its best, product conformance to excellent quality standards as well as endeavour to update technology to meet global challenges, efficient business practices with ethical norms and attainment of technical and commercial success.

Shri Sant Gajanan Maharaj College of Engineering, Shegaon was established in the year 1983. Institute offers Degree Course in Mechanical Engineering, Electrical Engineering, Electronics & Telecommunication, Information Technology, Computer Science and Engineering etc. All above Courses are approved by All India Council of Technical Education (AICTE), New Delhi, DTE Mumbai, Government of Maharashtra & affiliated to Sant Gadge Baba Amravati University.

Shri Sant Gajanan Maharaj College of Engineering, Shegaon being a centre of excellence, is committed to fulfill aspirations for excellence in technical education, produce competent engineers and good human being. The institute has good artistically landscaped, lush green campus, conducive to learning. We strive to develop Shri Sant Gajanan Maharaj College of Engineering as a benchmark in engineering education. It is an ultimate destination for students to groom their overall personality alongwith academic excellence. These are achieved through Value Addition Programmes (VAPs), Student Training Programmes (STP), Institute-Industry Interface, Project Based Learning, Cultural activities, Technical events, etc., We believe in and work for the holistic development of students and teachers. We strive to achieve this by imbibing a unique value system, transparent work culture, excellent academic and physical environment conducive to learning, creativity and technology transfer.

2. Objectives

The purpose of this understanding is to enable both the parties to enter into a non-exclusive, collaborative relationship for the benefits of the students of the institute.

3. Scope of work of SM Rolling pvt ltd

- Under this understanding, SM Rolling pvt ltd will offer the industrial visit to the students of SSGMCE with prior permission at least once in year.
- SM Rolling pvt ltd will offer the internship program of 15 to 45 days (as decided mutually) to the third year Mechanical Engineering students of SSGMCE (max 10 nos).
- SM Rolling pvt ltd will be presenting the process and scope of their work to the students during internship for the feasibility of the academic project of the students.
- SM Rolling pvt ltd will provide assistance in the development of various labs in the department of Mechanical Engineering whenever possible.
- The required cost for the above will be borne by the institute/students. SM Rolling pvt ltd will not share the expenses for the above activity.
- SM Rolling pvt ltd will provide certification to the students successfully completing the internship program.

4. Scope of work of SSGMCE

- SSGMCE will arrange the students for the industrial visit which will be planned with the consent of SM Rolling pvt ltd.
- SSGMCE will allow the students of third year Mechanical Engineering to participate in the internship program offered by SM Rolling pvt ltd.
- SSGMCE/students will look after the expenses incurred for the above activities.

5. Intellectual Property and copyrights

Both the parties recognize that the concept, designs, plans, content, assessment, and processes that are developed by either party will remain the intellectual property and copyright of that

party at all times.

Neither party will infringe upon the copyright of the other party. If any use or re-use of the materials of the other party are required, it can be done only after the consent in writing is provided.

6. The use of logos
