

# SHRI SANT GAJANAN MAHARAJ COLLEGE OF ENGINEERING, SHEGAON

## Notice

### Unnat Bharat Abhiyan Cell

Date: 02/11/2023

Unnat Bharat ABhiyan is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an inclusive India. The main responsibility of a UBA cell will be primarily to develop linkage with selective rural clusters, involve in the planning process and to promote the requisite S&T interventions to improvise and expedite the development efforts in those clusters. On the other hand, a UBA cell will also be responsible for developing the competence of its working group by appropriate orientation, training and creation of appropriate ethos within the institution towards indigenous and sustainable rural development, and initiating requisite curricular modifications and other facilitating measures.

Our institute is selected as participant institute for Unnat Bharat ABhiyan(UBA). UBA is coordinated by IIT Delhi. As per guidelines received from the coordinating institute. All participating institutions (PIs) are expected to establish a UBA Cell which will be responsible for carrying out the activities of UBA Cell in each institution, there will be an Executive Committee & a local advisory committee.(Which will be chaired by the Head of Institution).

The details of the UBA Cell Member of SSGMCE Shegaon , are as follows
