Shri Sant Gajanan Maharaj College of Engineering,
Shegaon - 444 203
Dist: Buldhana (M.S.) INDIA

About the Institute

Shri Sant Gajanan Maharaj College of Engineering, Shegaon (SSGMCE), one of the premier institutes in the field of engineering, was established in 1983 by Shri Gajanan Shikshan Sanstha, Shegaon. It is affiliated to Sant Gadge Baba Amravati University, Amravati, recognized by AICTE, New Delhi and Approved by DTE, Maharashtra State, Mumbai. SSGMCE has the recognition to be the re-accredited institute by NAAC, Bangalore and the courses are also accredited by NBA, AICTE, New Delhi. The Institute was selected as the Network Institute under NPIU's TEQP, MHRD, Govt. of India under Phase-I. Recently Career360 Magazine, Nov 2016 ranked the institute as "AA+" amongst Engineering Colleges, Ranked amongst 100 India's top-Tech Schools 2015-DATAQUEST-CMR and B-School of India by Outlook-Drishti-Survey-2015. **Institute honored with Devang Mehata National Education Leadership Award twice and CII-Gratitude Award.** Over three decades, it has successfully nurtured young Indians in engineering and managerial professionals for the betterment of society and humanity as a whole. It is well known for its visionary management, dedicated and devoted faculty, state of the art infrastructure and discipline. It is also known for the overall development of the students' personality with distinct value based spiritual environment. It primarily focuses on the four major pillars of the students' development: Intellectual, Spiritual, Physical and Social. It also provides facilities for the pursuit of excellence and academically suitable climate of the scholarship in terms of curriculum and curricular performance of the students.

About the Department

The Department of Computer Science and Engineering established in 1985 has taken development as a continuous process and assured this through its mission. Department runs UG and PG program. UG program is accredited four times by NBA and has blend of senior as well as young faculty members. The department has all laboratories well equipped with advanced softwares. Laboratories in the department are recognized as the place of research by SGB Amravati University.

About the Course

The aim of this Online Short term training Program is to enrich the participants with fundamentals of Machine Learning and programming concepts using MATLAB, Python and R Language.

In this programme participants will be demonstrated with recent trends in Machine Learning. Various algorithms and techniques of Machine Learning can implemented such as Artificial Neural Network, Fuzzy Logic, Support Vector Machine, Classification, Clustering, Pattern recognition Genetic Algorithm. Different MALAB tools will be demonstrated such as ANN, Fuzzy Logic, Image Processing, Deep Learning etc. Data handling, correlation and regression analysis will be demonstrated using R and Python Libraries. In this STTP participants will learn algorithm development, data visualization, data analysis, and numeric computation using Machine Learning Tools to solve engineering and scientific real life problems.

Course Contents:

- Introduction to Machine Learning Algorithms
- Introduction to Neural Network and Deep Learning
- Feature Extraction and Selection
- Classification and Clustering Algorithms
- Implementation and Demonstration of various Machine and Deep Learning Algorithms
- Applications of Machine Learning in Data Analytics

Resource Person

Experienced faculty from IIT, NIT and other renowned institutions, expert from industries will deliver lectures and conducts hands on practical sessions.

Participants

Faculty members, Research Scholars, from Engineering & Polytechnic colleges and Industry persons.

The department of Computer Science and Engineering is organizing an AICTE sponsored STTP on "Machine Learning and its Applications in Data Analytics" during 23rd Nov to 28th Nov 2020, 07th Dec to 12th Dec 2020, 21st Dec to 26th Dec 2020. As per the direction from AICTE, for the smooth conduction of the STTP, a Program Monitoring Committee has to be constituted. Hereby I nominate the following faculties as member of Program Monitoring Committee.

Sr. No.	Name of Member	Designation	Member Status
1	Dr. S. B. Somani	Principal	Chairman
2	Dr. D. R. Dhotre	Professor and Head Computer Science & Engineering	Coordinator
3	Dr. G. S. Gawande	Professor and Head Electronics and Telecommunication Engineering Department	Member
4	Dr. S. R. Paraskar	Professor and Head Electrical Engineering Department	Member
5	Dr. K. B. Khanchandani	Professor, Electronics and Telecommunication Engineering Department	Member (Subject Expert)

Dr. S. B. Somani
Principal SSGMCE

Copy for information and necessary action to

1. Principal Office
2. Dr. D. R. Dhotre, Head Computer Science and Engineering Department
3. Dr. G. S. Gawande, Head Electronics and Telecommunication Engineering Department
4. Dr. S. R. Paraskar, Head Electrical Engineering Department
5. Dr. K. B. Khanchandani, Professor, Electronics and Telecommunication Engineering Department

Instructions/Guidelines to be followed by the University/Institution

I. Disbursement of funds to University/Institutions

- a. The full amount of the grant sanctioned is being released as advance to the University/Institute.
- b. The amount spent by the institute on the conduct of STTP shall be adjusted on the basis of utilization certificate and detailed expenditure statement submitted by the University/Institution on the prescribed format along with other mandatory documents viz feedback form, copy of proceedings and completion report etc.
- b. The above said amount of grant shall be refunded back to AICTE if the Letter of Approval (LOA) / Extension of Approval (EOA) is not issued by AICTE to the institute for the academic year 2020-21.

II Maintenance of Accounts

- a. The Institute shall strictly follow the provisions laid down in the scheme document as available on the portal.
- b. Funds covered by this grant shall be kept separately and would not be mixed up with other funds so as to know the amount of interest accrued on the grant.
- c. The University/College/Institute shall maintain proper accounts of the expenditure out of the grants, which shall be utilized only on approved items of expenditure.
- d. The grant is intended to cover items of expenditure connected with the Short Term Training Programme such as Boarding & Lodging to the participants, TA to outstation participants, Honorarium to Course Coordinator, reading material to participants, Honorarium to resource persons, TA/DA to resource persons including two outstations resource persons & working expenses (reprographic services, postage, transport, daily wages, tea/coffee etc).

III. Conduct of test and issuance of certificate

A test shall be conducted by Program Monitoring Committee (PMC) at the end of the program and joint certificates shall be issued (by AICTE & conducting institute) to those participants who have attended the program and have scored minimum 60% marks in the test.

IV. Submission of Documents by the University/Institutions to AICTE

- a. The following mandatory relevant documents are required to be submitted by the University/Institution within one month of the completion of the program:-
 - (i) Original Statement of actual expenditure & Utilization Certificate in the prescribed proforma duly signed by the Head of the institution and countersigned by Registrar/Finance Officer/Govt. Auditor. In case of self-financing/private institutions, Statement of actual Expenditure & Utilization Certificate are required to be audited & signed and sealed by a Chartered Accountant endorsing the membership number and complete postal address. Format for the same is available on AICTE web portal.

The University/Institution is not required to submit bills/vouchers/invoices etc for the expenditure incurred out of recurring grants. However, such copies of bills/vouchers/invoices shall be digitized by respective institutions receiving grant and uploaded scanned copies of such bills/vouchers/invoices etc on the portal for availability and view at any point of time.

- (ii) Feedback form in the prescribed proforma.
 - (iii) Copy of the proceedings and completion report.
 - (iv) List of candidates who have successfully completed the program on the basis of the test conducted by Program Monitoring Committee (PMC).
 - (v) Report submitted by Program Monitoring Committee (PMC).
- b. The amount of the grant shall be adjusted on submission of utilization certificate & detailed expenditure statement by University/Institution. On receipt of these documents, the total amount of financial assistance, admissible as per the norms, shall be worked out and grant in aid adjusted.

V. General instructions

- a. Preferably 10% of the participants may be industry professionals deputed by industry. Further, not more than 2 participants shall be from the host institution/group of institutions.
- b. The grant released/or part thereof, if remains unutilized for any reason after expiry of stipulated time period (for any reasons to include unspent amount, interest, penalty if imposed) shall be refunded back to AICTE in the form of RTGS payable to Member Secretary, AICTE, New Delhi. The bank details of AICTE are as under:-

Account No	: 55113199952
Name of the Account Holder	: Member Secretary, AICTE, New Delhi

Branch Name	: Shastri Bhawan, New Delhi
IFSC Code	: SBIN0050203

- c. The STTP is a residential program of a duration of six days with minimum 40 participants. The approved STTP shall be conducted within six months from the date of release of funds.
- d. If programme is not conducted within the period of six months of the release of the 100% grant, the released amount, alongwith interest accrued thereon, has to be necessarily returned back to AICTE within a month through RTGS.
- d. The expenditure under the Heads 'Honorarium to Course Coordinator' and 'Honorarium to Resource Persons' shall not exceed 1% & 20% respectively of the total sanctioned grant for the Programme. However, overall expenditure shall not exceed the funds sanctioned for the Programme.
- g. Any extra money required to complete the programme must be borne by the institute from their own resources. But the quality of the activities should not be compromised.
- h. Any unavoidable circumstantial change in the program with respect to name of Project Coordinator, Venue and date for organizing STTP would mandatorily require prior approval of the Council. All such requests should be addressed to AICTE, in advance, recording the specific reasons for proposed changes, failing which the offer for the grant already issued would be treated as automatically withdrawn and the financial assistance released in favour of the beneficiary institution shall be refunded immediately to the Council. Kindly mention the File No. 34-66/318/FDC/STTP/Policy 1/2019-20 in your future correspondence.
- i. **Steering Committee/Project Monitoring Committee (PMC)** is required to be constituted at institutional level. The constitution of the PEC shall be as under:
- (i) Principal/Director/Registrar of the institution (Chairperson).
 - (ii) Coordinator of the program (Member Secretary).
 - (iii) Two HoDs and one subject expert (members).

The members of the said PMC shall not be below the rank of Associate Professor. A test shall be conducted by Project Monitoring Committee (PMC) at the end of the program and the certificates shall be issued to those participants who have attended the program and have qualified in the test. The minutes of the meetings, along with PMC report, are to be submitted to the Council at end of the program along with other mandatory documents.

- j. **Gol GFR rules** (@<https://doe.gov.in/order-circular/general-financial-rules2017-0>) should be followed during utilization of grant.
- k. This Sanction Order may be treated as Offer Letter for all purposes.

NOTE:- Any deviation from the above will invoke serious action against the Institute.

Yours sincerely,

(Col. B Venkat)
Director (FDC)

About the Institute

Shri Sant Gajanan Maharaj College of Engineering, Shegaon (SSGMCE), one of the premier institutes in the field of engineering, was established in 1983 by Shri Gajanan Shikshan Sanstha, Shegaon. It is affiliated to Sant Gadge Baba Amravati University, Amravati, recognized by AICTE, New Delhi and Approved by DTE, Maharashtra State, Mumbai. SSGMCE has the recognition to be the re-accredited institute by NAAC, Bangalore and the courses are also accredited by NBA, AICTE, New Delhi. The Institute was selected as the Network Institute under NPIU's TEQIP, MHRD, Govt. of India under Phase-I. Recently Career360 Magazine, Nov 2016 ranked the Institute as "AA+" amongst Engineering Colleges, Ranked amongst 100 India's top-Tech Schools 2015-DATAQUEST-CMR and B-School of India by Outlook-Drishti-Survey-2015. Institute honored with Devang Mehata National Education Leadership Award twice and 'CII-Gratitude Award'. Over three decades, it has successfully nurtured young Indians in engineering and managerial professionals for the betterment of society and humanity as a whole. It is well known for its visionary management, dedicated and devoted faculty, state of the art infrastructure and discipline. It is also known for the overall development of the students' personality with distinct value based spiritual environment. It primarily focuses on the four major pillars of the students' development: Intellectual, Spiritual, Physical and Social. It also provides facilities for the pursuit of excellence and academically suitable climate of the scholarship in terms of curriculum and curricular performance of the students.

About the Department

The Department of Computer Science and Engineering established in 1985 has taken development as a continuous process and assured this through its mission. Department runs UG and PG program. UG program is accredited four times by NBA and has blend of senior as well as young faculty members. The department has all laboratories well equipped with advanced softwares. Laboratories in the department are recognized as the place of research by SGB Amravati University.

About the Course

The aim of this Online Short term training Program is to enrich the participants with fundamentals of Machine Learning and programming concepts using MATLAB, Python and R Language.

In this programme participants will be demonstrated with recent trends in Machine Learning. Various algorithms and techniques of Machine Learning can implemented such as Artificial Neural Network, Fuzzy Logic, Support Vector Machine, Classification, Clustering, Pattern recognition Genetic Algorithm. Different MALAB tools will be demonstrated such as ANN, Fuzzy Logic, Image Processing, Deep Learning etc. Data handling, correlation and regression analysis will be demonstrated using R and Python Libraries. In this STTP participants will learn algorithm development, data visualization, data analysis, and numeric computation using Machine Learning Tools to solve engineering and scientific real life problems.

Course Contents:

- Introduction to Machine Learning Algorithms
- Introduction to Neural Network and Deep Learning
- Feature Extraction and Selection
- Classification and Clustering Algorithms
- Implementation and Demonstration of various Machine and Deep Learning Algorithms
- Applications of Machine Learning in Data Analytics

Resource Person

Experienced faculty from IIT, NIT and other renowned institutions, expert from industries will deliver lectures and conducts hands on practical sessions.

Participants

Faculty members, Research Scholars, from Engineering & Polytechnic colleges and Industry persons.

Report on Alumni Webinar Series during COVID-19 Pandemic organized by D.B.A & R.

The current challenge COVID-19 around the globe necessitated a lockdown and ban on movement and physical meetings across most nations. In line with Govt. directives, the D. B. A & R. Alumni Cell suspended all previously planned roundtables and dialogue sessions. All alumni events were to hold online going forward. The D. B. A. & R. was able to promptly convert a previously planned physical event to an online webinar, and it was well attended by the Faculty members and Students of MBA.

The D. B. A & R. and Alumni Association partner to provide weekly live, interactive webinars on topics that could help Students shape their career. From resume tips and skill-building sessions to professional networking, career options and job searches, Department of Business Administration and Research with its Strong and Distinguished Alumni Network has a lot to offer.

We are therefore very pleased to present our report on the first ever Alumni Webinar. The topic was a very relevant one in these times:

"Winning Skills to Succeed in the Corporate World"

The speaker for the day was **D. Chandramohan Swami (Batch 1999-2001)**, who has a background in Consumer Durables like Mobiles, DTH Services. He is now **National Head- Operations, WardWiz India Solutions Pvt. Ltd., Pune**. He was earlier associated with **Gionee, Mridian Mobiles (Fly), Reliance Infocom (DTH), Airtel, Orange Mobiles**. He did justice to the topic by sharing his wealth of knowledge and experience, providing insight and useful suggestions to help Students get through the turbulent times.

Some of the highlights from his presentation were as follows:

He was introduced to the Students Dr. H. M. Jha "Bidyarthi" – Professor and Head of DBA&R. D. Chandramohan Swami believes that it is always better to interact and Meet personally. He started by asking students to have learning attitude throughout the life as it helps to blossom the combination of Education and Experience.

He then moved on to discussing certain facts about Indian Job Market Scenario, Employability issues and its effects on the Fresh MBA graduates. To sustain these tough times, he asked students to develop skills like-

1. Re-Educate: *Be Open to Learning throughout*
2. SIP (Summer Internship Projects): *Treat SIP as 1st Job; Do it very Seriously*

3. Networking: *Develop Rapport/ Informal relations with Empathy, Don't have shallow relations of just over Facebook or sms*
4. Pro-activeness: *Take Initiatives, Introspect Oneself, Take Risks*
5. Commit as per the Role: *Targets are Inevitable, Window for Escape is not there, Prepare-Practice-Deliver*
6. Timelines and Quality of Work: *Adhere to Timelines, Give Best of your Results*
7. Leadership: *Eg. SachinT. Vs S. Ganguly; Take Onus and direct the team*
8. Truthfulness: *Be Honest and Truthful*
9. Reading Habit: *Read a lot*
10. Work Life Balance: *Work is part of Life and not the Whole Life; Enjoy the moments and cherish the time with family and friends*

After his deliberation, Dr. Jha opened up with the Question and Answer Session on behalf of the students to set the momentum. D. Chandramohan answered and satisfied the questions of the students to the best of his ability by quoting various incidents from his life and other examples. Few of the questions were about -

SIP Projects, Career Prospects after this Pandemic, Any additional skill set, Differences and challenges for Non-Engineering graduates etc.

He asked students to read the Autography of Successful as well as Unsuccessful leaders to learn and take lessons from them. He also suggested reading the autobiography of Shri Atal Bihari Vajpayee and a Book named "When the Boss is Wrong". He ended with a quote - "Failures teach you the Lessons and Success Stories Inspire you"

The event was very well attended and marked the beginning of online collaboration for the DBA&R Alumni Association. The Department would like to thank the guest speaker, D. Chandramohan Swami for sharing his wealth of knowledge and insight, the Alumni Office for their support before and during the event, and all participants for making themselves available. We look forward to many more informative webinars from the Alumni in the days to come.

Global Effects of COVID-19 (USB Alumnus - Ms Toyin Sanni)

- Businesses around the world are coping with loss of revenue and disrupted supply chains as factories shutdown and quarantine measures spread across the globe.
- The Organization for Economic Cooperation and Development (OECD), lowered its forecast of global economic growth by 0.5% for 2020 from 2.9% to 2.4%, if the economic effects of the virus peaked in the first quarter of 2020.
- The International Monetary Fund (IMF), noted that the coronavirus pandemic had instigated an economic downturn the likes of which the world has not experienced since the Great Depression.
- Unemployment levels is on the rise and policy makers across countries race to implement fiscal and monetary measures to alleviate the financial burden on citizens and shore up economies under severe strain.

Effects on Global Business and Trade

- According to the United Nations (UN), the world's \$80 trillion economy will decline by \$1 trillion to \$2 trillion – a close to 3% contraction.
- The Chinese economy is likely to be hit further with reduced global demand for its products due to the effect of the outbreak on economies around the world.
- Global trade volumes are projected to decline between 13% and 32% in 2020.

Industries Most Effected by COVID-19

- Tourism and Hospitality – Serious downward effect due to lockdowns and no gathering rules across the globe
- Aviation and airlines – due to holiday season bookings being missed, and ban on local and international travel.
- Consumer products – challenges in supply chain operations due to lock down in most nations, but significant **increase** in demand for food items and household essentials.
- Entertainment and online businesses – due to the inability to move, there has been a significant **increase** in the patronage of online entertainment and learning platforms.

Long Term Changes

- Schools and business worldwide have quickly moved towards remote working and learning for the remainder of the school year.
- Spending on video game companies like Twitch and Nintendo is booming, and streaming services, including Netflix and Spotify, are enjoying gains as well.
- With limited activity out of home, there has a spike in the use of social media across the world. Media consumption by all age group has increased significantly.
- Health & wellness information such as coronavirus symptoms, handwashing techniques are up by 17%.
- Food & recipe websites are up by 22%.
- Recreation such as fitness & exercise and video games are up by 162% and 41% respectively.
- Zoom, a popular remote conferencing software, has seen a sharp increase in its stock price during the first few months of 2020.

5 Thinking Horizons for Companies:

1. Resolve

Address the immediate challenges that COVID-19 represents to your company's labour force, customers, clients, technology and business partners.

2. Resilience

Address short term cash-management challenges as this appears to be the most critical to companies across the world. Increase resiliency during periods of virus-related shutdowns and anticipated economic knock-on.

3. Return

Create detailed plan to return business to scale quickly as COVID-19 situation evolves and knock-on effects become clearer.

4. Re-Imagination

Re-Imagine the next normal, evaluate key success and failures features during the lockdown phase and its implications. Discover how your institution should reinvent.

5. Reform

Be clear about how regulatory and competitive environment may shift.

How Small Businesses Can React to the Pandemic

1. Educate your Staff & Customers

- Inform them on the steps you're taking to keep them safe.
- The better you can alleviate their fears and anxieties, the easier it will be for you to retain their business and loyalty.

2. Scenario Planning

- What happens if your local schools close for three weeks? Three months?
- If you take a hit, how can you gain your team's loyalty?
- Are there big opportunities here for your business?

3. Solicit Support

- Enlist your vendors & suppliers for help.
- Negotiate better pricing or payment terms.
- Ask for an increase to the services they provide you for a period of time at no additional cost.

4. Plan out your Cash Flow

- Plan and arrange towards increase in line of credit.
- This is also a good time to increase your liquid reserves by setting aside more of your revenue for "just in case" money.

5. Look for Opportunities

- Search for promotional opportunities to harness this situation.
- Hold an open dialogue with your staff about the situation and how your company can best navigate these waters

Report on Alumni Webinar Series during COVID-19 Pandemic organized by D.B.A & R.

The current challenge COVID-19 around the globe necessitated a lockdown and ban on movement and physical meetings across most nations. In line with Govt. directives, the D. B. A & R. Alumni Cell suspended all previously planned roundtables and dialogue sessions. All alumni events were to hold online going forward. The D. B. A. & R. was able to promptly convert a previously planned physical event to an online webinar, and it was well attended by the Faculty members and Students of MBA.

The D. B. A & R. and Alumni Association partner to provide weekly live, interactive webinars on topics that could help Students shape their career. From resume tips and skill-building sessions to professional networking, career options and job searches, Department of Business Administration and Research with its Strong and Distinguished Alumni Network has a lot to offer.

We are therefore very pleased to present our report on the first ever Alumni Webinar. The topic was a very relevant one in these times:

"COVID-19: INDIA and its Future"

The speaker for the day was **Dr. Devesh Kumar Sharma (Batch 1997-1999)**, who has a background in Banking with extensive experience in corporate finance, trust and asset management. He is now **Senior Vice President, Credit Suisse, Geneva, Switzerland**. He was earlier associated with **Barclays Bank, Dubai**. He did justice to the topic, sharing his wealth of knowledge and experience, providing insight and useful suggestions to help Students get through the turbulent times.

Some of the highlights from his presentation were as follows:

He was introduced to the Students by his Mentor and Doctoral Thesis Guide Dr. H. M. Jha "Bidyarthi" - Professor and Head of DBA&R. Dr. Devesh started with praising the College and his 'Gurus', recalling few moments of those times.

He then moved on to discussing certain facts about India, its Economic scenario and its effects on the Fresh MBA graduates. To sustain these tough times, he asked students to follow certain things like-

1. Read a Lot: *Must Have Habit*
2. Form a group of 5 students: *Involve Timid, Shy, Poor Friends*

Powerful and Constructive aspect of Informal Relations

3. Meet, Communicate with everyone, Discuss Ideas not People, Discuss about Random things: *Don't Judge others, Share, Express, Discuss and REALIZE, Concentrate on Public Speaking*
4. Be Admirers: *Appreciative Intelligence*
5. Ask Questions: *Being Young, Don't Hesitate for doing New things*
6. Save Money: *Power of Savings, Investment and Compounding*
7. Remain Fit, Exercise: *Health is Wealth*
8. Take up a Hobby: *Be Playful*
9. Be Passionate: *Get Involved*
10. Convert College Life to Corporate Life: *Grooming Matters*
11. Choose and Set Goals: *Stress Now and Enjoy Later or Enjoy Now and Stress Later*

After his deliberation, Dr. Jha opened up with the Question and Answer Session on behalf of the students to set the momentum. Dr. Devesh answered and satisfied the questions of the students to the best of his ability.

Few of the questions were about –

How to Set Goals?

How to utilize this Time?

What Certification Courses to Pursue and Professional Skills to Hone?

How to transform from Being an Introvert to Extrovert Person?

What are the Career Opportunities after this pandemic? etc.

The event was very well attended and marked the beginning of online collaboration for the DBA&R Alumni Association. The Department would like to thank the guest speaker, Dr. Devesh Kumar Sharma for sharing his wealth of knowledge and insight, the Alumni Office for their support before and during the event, and all participants for making themselves available. We look forward to many more informative webinars from the Alumni in the days to come.

We are therefore very pleased to present our report on the first ever Alumni Webinar. The topic was a very relevant one in these times:

"Leadership, Work Life Balance"

The speaker for the day was **Dr. Krishna Kant Dave (Batch 1994-1996)**, who has a background in Academics. He is now **Dean - Academics, Pacific University, Udaipur**. He has held many Administrative positions and soon to become Vice - Chancellor of this University. He did justice to the topic by sharing his wealth of knowledge and experience, providing insight and useful suggestions to help Students get through the turbulent times.

Some of the highlights from his presentation were as follows:

He was introduced to the Students by Dr. H. M. Jha "Bidyarthi" - Professor and Head of DBA&R. Dr. K. K. Dave went on to praise his Almamater and Professors.

He opened up his talk by quoting example of Dr. APJ Abdul Kalam and his then Director at ISRO- Dr. Satish Dhawan about how Dr. Dhawan took the responsibility for the failure of the satellite launch and credited the team after their successful launch. He then moved on to deliver the talk on Leadership and WorkLife Balance. To sustain these tough times, he asked students to become Empathetic Leadership by developing habits like-

1. Lead with Empathy: *Listen carefully, Don't Assume, Be Patient*
2. Embrace Change: *Involve Employees in decision making, Encourage experimentation, forgive mistakes*
3. Act as a Mentor: *Identify and Recognize the Skills of Subordinates / Team members, Develop their Skills Professionally, Acknowledge their Priorities.*

4. Welcome different viewpoints: *Don't be Stereotyped, Be Open to new ideas*
5. Encourage Age diverse Hires: *Balance the New talent and Experienced people*

He asked to maintain balance in the work and life quoting death of Sushant Singh Rajput. Finish in Time, Adapt, Spend time with family and friends, enjoy the vacations, trips.

He also shared a video on Empathy and committed to interact with students again.

After his deliberation, Dr. Jha wished him the best for his future endeavors.

The event was very well attended and marked the beginning of online collaboration for the DBA&R Alumni Association. The Department would like to thank the guest speaker, Dr. K. K. Dave for sharing his wealth of knowledge and insight, the Alumni Office for their support before and during the event, and all participants for making themselves available.
