#### AN INTERACTION SESSION ON "EXPERIENTIAL LEARNING"

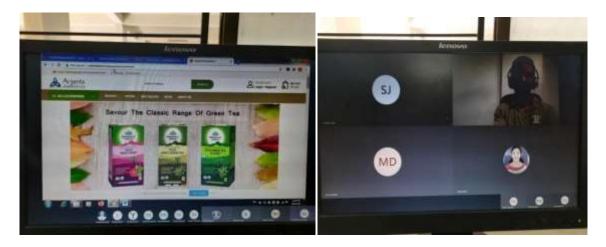

An interaction session on "Experiential learning" was organized during January 2021 for faculty members of the Department of Business Administration and Research with Mr. Subhash Gore, Secretary, Sautrday Club Global Trust, Akola and Founder, Argents Software, Mumbai and his collegue Mr. Kulkarni, Ex. Regional Manager, HDFC.

Experiential learning is an engaged learning process whereby students "learn by doing" and by reflecting on the experience. Experiential learning activities can include, but are not limited to, hands-on laboratory experiments, internships, field exercises, study abroad, under graduate research and studio performances. Well-planned, supervised and assessed experiential learning programs can stimulate academic inquiry by promoting interdisciplinary learning, civic engagement, career development, cultural awareness, leadership, and other professional and intellectual skills.

Inputs/ suggestions/ insights were taken on the following elements:

- 1. Reflection, critical analysis and synthesis.
- 2. Opportunities for students to take initiative, make decisions, and be accountable for the results.
- 3. Opportunities for students to engage intellectually, creatively, emotionally, socially, or physically.

4.	A designed learning experience that includes the possibility to learn from natural consequences, mistakes, and successes.

Digital Marketing Workshop snaps.

## Resource person- Mr. Subhash Gore, Secretary, Sautrday Club Global Trust, Akola and Founder, Argents Software, Mumbai

Digital Marketing has become the backbone of marketing in the contemporary times. Digital marketing helps brands reach their target audience and promote their product or service. While that's the goal of a traditional marketing campaign too, digital marketing allows brands to target a more specific or niche audience. It's particularly useful for small businesses, which can easily leverage digital marketing tactics without the help of a marketing department or agency. Digital marketing involves using online channels to sell or promote a product or service. These channels can come in many forms, from social media and content marketing to pay-per-click (PPC) advertising and Search Engine Optimization (SEO).

A workshop on Digital Marketing was organized during July-Sept. 2020 to facilitate fundamentals of Digital Marketing and explore the allied Career Opportunities.
