IEEE Students' Branch Report

IEEE Students' branch has happiest moment this year as IEEE approved the Formation of the the Shri Sant Gajanan Maharaj College of Eng, *Robotics and Automation Society Student Branch Chapter* from Feb 22, 2021.

IEEE students Branch organized a One Week Online Hands-On Workshop on "*Wire Antennas:*

Design, Analysis and Measurements Using 4NEC2X" during 03-07 August, 2020. The expert speaker for this workshop was Prof. V. V. Ratnaparkhi. Total 77 participants from different part of the countries participated in workshop.

IEEE students' branch organized a webinar on "*Future trends for Data and overview of Hadoop and Google Cloud Platform*" on 8th August 2020. The speaker for this webinar was Mr.Vishal Narkhede, Senior Data Engineer, Vodafone India. More than 100 students participated in the webinar.

IEEE students Branch organised a One Week Online Hands-On Workshop on "*Real Time*

Computer Vision Applications using Python with Webcam" during 16-21, August 2020. The sessions were conducted by Dr. Pravin Wankhede. There were total 53participants from IITs, NITs, Engineering Institutes and Industry benefitted through this workshop.

IEEE students' branch organized a webinar on "*NLP and AI - What the future holds?*" on 29th August 2020. The speaker for this webinar was Akshat Joshi is founder of ThinkTrans LLP. Total 85 students participated in the webinar.

A webinar on "*IEEE membership Benefits and Advantages*" organized specially for IEEE student members on 12 November 2020. Branch counselor Dr. P.R. Wankhede demonstrated how to get technical benefits, scholarships, awards and various possible funding from IEEE.

IEEE SSGMCE Shegaon SB in association with TPAC, IEEE Bombay Section organized

"Two Days Workshop on IoT using Arduino through TinkerCad" during 16-17 January 2021. Mr. Hannan Satopay, Tinkercad Advisor (Autodesk), Mumbai and Dr. Pravin Wankhede

Branch Counselor, IEEE SSGMCE SB have conducted expert sessions. 110 students from more than 20 institutes participated in the workshop.

IEEE SSGMCE Students Branch organized one day Online workshop on "*Component Identification and Testing*", 22 January, 2021 for 2nd year EXTC Students. The sessions in this workshop were conducted by Prof. Amit N. Dolas.

IEEE students' branch organized a webinar on "*Application of Machine Learning in Biometric Security Systems and NLP*" on 27th Jan 2021. The speaker for this webinar was Mr. Santosh Kumar Panda, National Informatics Center, Bhubaneswar and Ms. Sudhansu Bala Das, Senior Researcher at DRDO, Chandipur. More than 250 students and faculty participated in the webinar.

IEEE students Branch organised a two week Hands-On training programme on "*RF Circuits and Antennas*" during 01-12 February 2021. The sessions were conducted by Prof.Vivek Ratnaparkhi. On last day, Engineers from Keysight Technologies delivered hands-on sessions. There were total 27 participants from across country actively participated in this workshop.

IEEE students Branch organised a One Week Online Workshop on "*CMOS Digital Circuit Design*" during 8-12, February 2021. The sessions were conducted by Prof. Swapnil Badar. There were total 20 participants benefitted through this workshop.

On 8th March 2021, IEEE Woman in Engineering Affinity Group, SSGMCE Shegaon in association with IEEE WIE AG Bombay Section organized A Panel Discussion on "*Women Empowerment: Work, Health and Society*" with the panelists

- Dr. R. Srivaramangai, HOD IT Dept, University of Mumbai

- Zarin Gupta, Founder Trustee and chair person Salaan Baalak Trust, Mumbai

- Sharayu Sagar, Life and happiness coach, A life speaker

- N. M. Joshi, Retired Journalist, Member of BOS in Journalism and public administration, Amravati University.

IEEE students Branch organised a Workshop on "**Hands-On Tkinter**" during 6-7, April 2021. The sessions were conducted by Team of IEEE students' branch. There were total 26 participants benefitted through this workshop. Through this workshop participants got a Hands-On experience on a very well-known Tkinter - library of Python and GUI design and making an application.

During Puruit-2021, keynote sessions were organized by IEEE Students' Branch and ACM student chapter on topic "**Which programming language should you learn and why?**" by Dr. Navin Kabra on 9th April 2021 and on topic "**Rise and Shine: Focusing on Future**" by Dr. Rajashree Markandewar on 10th April 2021.

IEEE students Branch organised a "**Technical Paper Presentation Competition"** on 9th April 2021. There were total 11 teams participated and presented their papers. A cash prize of Rs.2000 was awarded to best paper winner.
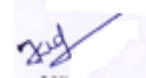

IEEE students Branch organised a "**Technical Poster Presentation Competition"** on 10th April 2021. There were total 09 teams participated and presented their posters through online mode. A cash prize of Rs.2000 was awarded to best poster winner.

Dr. Pravin Wankhede

Faculty Advisor

ISTE Students Chapter

- A new committee was formed at the beginning of the session which comprises of final, third and second-year students from all the departments.
- Meeting with committee members was carried in order to plan the activities for the year and other guidelines were given.
- A membership drive was conducted.
- An online event "TreQuizm" was organized for all year students during 14th and 15th January 2021, many students participated in a team of. The main objective of the event was to create an enthusiasm among the students about the exciting games to increase their creativity. The event was conducted for two days which included three rounds.
- A Webinar on "Current Industries Scenario and Its Expectations" was organized for all students and staff members on 14th February 2021, 80 members attended it. It was conducted by Mr Pradip Samalwar, having 17 years of work experience with prestigious organizations and specialized in learning and organizational development talent management and facilitation.
- "GRAND PROJECT EXPO", an exhibition of working or non-working, hardware or software projects on any topic was organized during 9th and 10th April 2021, in which many teams of other colleges also participated. Winners were awarded with cash prizes.
- A skill development program on PLM (Product Life Cycle Management) using PLM Windchill Software by Mr. Dipak Kate, Senior Software Engineer, Volkswagen IT India, Pune was planned for all final year students on 13th June 2021, 52 students registered for the same. But due to some personal reason of resource person, it was postponed.
- A national level session on "Roadmap to Career" was organized for all students on 26th June 2021, 179 members attended it. It was conducted by Mr. Chaitanya Jain, Account Manager, Collabera Technology, Bangalore.
- Technical e-magazine MACHER is under preparation and is set to be launched soon.

Faizan I. Khandwani
Faculty Advisor-ISTE Students Chapter

<div align="center">**Information Technology Student Association**</div>

In this year till date ITSA (Information Technology Student Association)has conducted five Webinars, Two Speak To Inspire Session, and Two Workshop events activity and Two Guest Lecture. Activity details mention below.

1. Five **Webinar Organized by Team ITSA :**

Webinar was Organized by the Team ITSA and Departmental Staff of IT. These webinar was for Four Year BE students with a thought that every students must know the basic knowledge of different technical things like Applications of Remote Sensing, Identifying Innovative Project Ideas, Benefits of GATE _ Interview Preparation, Insights into Image Processing using Computer Vision and Machine Learning, Introduction to Python and NEC got a big success in these webinar with good feedbacks.

These Webinar was organized in between **08th August to 13th Jan 2021** under ITSA Students Chapter, for All BE Students from first year to Final year These webinar conducted by Industry Resource person their name are **Mr.Ketan Pachpande** Sr. Developer Veritas Technologies,Pune**, Mr.Sanjay Apturkar** Associate Scientist Maharashtra Remote Sensing Application Center (MRSAC) Nagpur**, Mr. Hemant Barapatre,**Founder & CEO of Cluebix Technologies, Nagpur**, Mr. Saurabh Naik,** Member Research Staff, CRL-Bharat Electronics LTD Bangalore**, Mr.Farrokh Zaeri & Ms.Nilesha** NEC Nashik

.

2. Speak To Inspire Session

Speak To Inspire Session I and II was organized by ITSA .It was for students placement and difficulties they may face while this process. It was a Question-Answer Session between students and Soni Sir . The present audience took great intrest in asking question and the solution was given greatly by **Soni sir, Mr. Ajinkya Bawaskar and Ms. Manali Modi** . The attendees took great interest in asking questions and the solutionswere given gracefully by the Speakers.

All the students enjoyed a lot and This was successful enough to gather around as much as 65 participants for both events . This **two days** event was conducted on dated   **18/10/20 and 19/10/20 .**

3. One Week Hands-on Basic Web Development Workshop:

As we all know, Now days web Application access through used for different applications . So is the name of this workshop Web Development workshop. This workshop was conducted by **Mr. Vaibhao Falode, (Full Stack Developer) and organized by ITSA Team** for **One Week i.e. 16/01/21 and 24/01/21.**
Our coordinators took great efforts to and coordinate with the students. It was a Hands-on workshop for Second and Third year BE students. We received approx. 30 entries. It was a good response. .

The main aim of this workshop was to give some basic information about web Application Development, about how to create the website using various Scripting Technology. Resource person taught the students about the basic Web Technology used to transform web page, to

make logos, to add different web pages , etc. We taught students how to make Web site using recent Web Technology.

.4.15 Days Hands-on workshop on Android Training Development workshop:
