	30	Aditya G. Solanke	
	46	Om G. Shelake	
	52	Prajwal S. Pise	
	68	Shripad Gawande	
G-2/ AKD	2	Bhargavi S. Hirulkar	The Green breath for survival of mankind in 21st century using sustainable air purifier
	20	Sakshi P. Jungade	
	41	Juned Khan Jamshed Khan	
	43	Lokesh S. Raut	
G-3/ SSJ	06	Kalyani D. Raut	Development of Smart Home Automation System.
	12	Nikita V. Kalore	
	34	Chetan A. Ambalkar	
	38	Harsh Sontakke	
	50	Prajwal D. Bidkar	
G4/ SSJ	01	Avanti Nachankar	Fruit Plucking Arm
	15	Pranali V. Patil	
	25	Shruti Thakare	
	37	Dnyneshshwar Jadhav	
	56	Prashmesh Potdar	
G-5/ AUJ	10	Neha D. Jadhao	Electrical Heavy Vehicle Transportation Highway (By Catenary System)
	26	Vaishali G. Tayade	
	29	Abhishek S. Kalyankar	
	51	Prajwal P. Donge	
	65	Shreyash G. Patil	
	78	Yash S. Sharma	
G-6/ PRB	03	Gauri Murkar	Discrimination of magnetizing inrush current and internal fault in Transformer.
	05	Janvi Rajput	
	19	Sakshi Awachar	
	24	Shreya Dipke	
	40	Jatin Ghage	
	77	Yash Gajbhiye	

G-7/ VSK	35	Deep S. Dhumane	Development of IOT Based Smart Energy Meter.
	21	Sakshi R. Sondkar	
	36	Devanshish D. Kadukar	
	61	Rohan H. Kamdi	
	62	Sahil P. Shahane	
	75	Vivek A. Bende	
G-8/ GNB	42	Kundan R. Nimbhorkar	Detection and Classification of Underlying Reasons of Power Quality Disturbance Using Signal Processing and Soft Computing Techniques
	45	Naveen L. Tiwari	
	73	Vinit C. Jagtap	
	74	Vishal S. Munde	
	23	Shreya Nemade	
G-9/ BSR	39	Harshal Sawale	Automatic Weighing and Packaging Machine
	47	Om Bayaskar	
	62	Shreyus Ghuge	
G-10/ UAJ	32	Balaji N. Limbalkar	"An Implementation of Renewable Energy Based Modeling and Control of Three Phase Hybrid – Microgrid System"
	44	Mrunal B. Zine	
	55	Pratham S. Rathod	
	57	Pratik A. Asolkar	
	76	Yash D. Ingale	
G-11/ PRD	17	Radhika P. Deshmukh	Design of Arduino based Seed Dryer System using Solar Energy.
	27	Vaishnavi Sushir	
	31	Amogh M. Jarnode	
	51	Prasad S. Deo	
	59	Pulkit A. Gaikee	
	69	Shubham D. Changal	
G-12/ RKM	04	Gauri Jayale	Development of algorithm for Crop monitoring robot
	08	Mrudula Belsare	
	11	Nikita Jadhav	
	14	Poonam Take	
	16	Prerana Surjuse	
	28	Vaishnavi S. Khedakar	
G-13/ RSK	13	Pallavi S. Karale	IOT Based Seed Dryer (Sponsored by Abhita Agro Industries Pvt. Ltd, Kharghar Navi Mumbai

Dear **Mr.SHREYASH UTTAMRAO GOLAM,**

Based on your application and the subsequent discussions you had with us we are pleased to have you associated with us as a **PROJECT TRAINEE** for a period of 6 months from the date of commencement in our organization**.** During this association you will be paid **Rs.20000/- (RUPEES TWENTY THOUSAND ONLY)** per month as a consolidated amount.

The internship will be for a period up to 6 months from the date of commencement. Based on your performance during this period and your interest in continuing the internship, your manager may extend the internship period beyond the initial 6 months. On successful completion of your curriculum project, you may be observed as an employee of Zoho as **MEMBER TECHNICAL STAFF**. Salary will be decided at that time based on your performance.

This offer is subject to the following terms and conditions.

1. During the period of your association with Zoho, you shall keep strictly confidential any and all information that may come to your knowledge. You may share any such information with others, only on a 'need to know' basis.

2. You shall sign a Confidentiality Agreement with Zoho to protect the interests of the Company by maintaining confidentiality of all information, which may be accessible to you in the course of your association.

3. Zoho owns all right and interest to any intellectual property developed by you during the course of your association with the company.

4. Zoho reserves all rights to terminate you at any time during your association period, for any reason whatsoever, including without limitation, misuse of Zoho intellectual property, improper and unauthorized usage of internet Services, adverse finding in background verification report, misconduct and the like.

5. Zoho is under no obligation to recruit you on its roll of employees at the end of your project work. However if your project work and conduct are found to be completely satisfactory, you may be considered for employment, in accordance with Zoho's then current policy.

VALIDITY

This Project Trainee Offer is enclosed with some of our important policies. You are requested to download, read, understand and sign the documents on or before **25-Dec-2023**. Your signature indicates your acceptance of the terms and conditions of this offer.

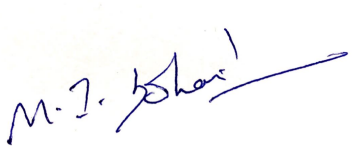

Upon submitting your acceptance, you will be asked to provide a tentative date of joining in the personal details form. However, closer to the actual date of joining you will receive a confirmation email from us.

The matters related to your compensation are strictly confidential between you and the company and should be treated as such.

I am sure you will find this offer very exciting and I, on behalf of Zoho, assure you of a very rewarding career in our organization.

With Best Wishes,

Yours Sincerely,
For ZOHO BUSINESS SERVICES LLP

M.I.Sohail

Subject: Internship Offer Letter

Dear Krushnaraj,

On behalf of One Smarter Inc., USA, I am pleased to inform you that you have been selected as an Intern to assist us with Programming / Development related activities.

This position is scheduled to begin January 1, 2024, and will be divided into two phases (each of three months).

(1) **Phase I**: In this first phase, you will be asked to learn; develop your skills consistent with our needs; and work on small client projects. Your compensation in Phase I will be INR 3,000 per month. If you need any educational material or have other needs; these costs will be reimbursed to you with prior permission.
(2) **End of Phase I**: At the end of Phase I, we will conduct a formal performance evaluation of your work and examine if you have made contributions consistent with our expectations and requirements. If we do find value in your work, you will continue to Phase II of the internships. Should your internship end after Phase I, you will be provided a certificate of completion for your Phase I internship.
(3) **Phase II**: The second phase of the internship is an intensive engagement with ongoing business projects. You will be asked to interact with business clients; if necessary. Your compensation during Phase II will be INR 7,500 per month.
(4) **End of Phase II**: At the end of Phase II, we will conduct a second and final evaluation of your work to assess your suitability of a formal employment offer with One Smarter, Inc.

The schedule for this position is Monday-Saturday from 01:00 p.m. to 07:00 p.m. (IST). During this time, you will remain available for phone calls, online business meeting and in person.

We will remain flexible to accommodate your exam schedules. Exam schedules and any time off will be coordinated with your college. Should you require any personal time away from the internship, please make arrangements with suitable notice so that your work is not affected.

Multiple training opportunities will be provided to you during the internship period. These will include full-day and accelerated boot camps and other mechanisms. Attendance in these programs is mandatory. Weekly update calls will be scheduled and are required.

We look forward to having you begin your career at One Smarter Inc., USA, and wish you a successful internship. Welcome to our team!

Sincerely,

Internship Objectives: Throughout the internship, our main objectives revolved around acquiring a comprehensive skill set and deepening our understanding of critical areas in software development and cybersecurity. Guided by our esteemed senior colleagues, we aimed to master various technical disciplines, including Python programming, Linux proficiency, automation techniques, web scraping methodologies, and software development life cycle principles. Additionally, we sought to grasp essential software testing concepts, refine data organization skills, and gain practical experience in DevOps methodologies utilizing Docker and Kubernetes. By setting clear objectives, we aimed to maximize our learning potential and prepare ourselves for future challenges in the dynamic tech industry.

Company Overview: Apexa iQ® is a leading provider of computer and network security solutions based in Boston, Massachusetts. With a dedicated team of 51-200 employees, it specialize in guiding businesses on their path to genius through innovative security strategies and cutting-edge technologies.

Internship Highlights: The internship journey was marked by numerous highlights that significantly contributed to our professional growth and development. Foremost among these was the invaluable mentorship provided by our senior colleagues, whose expertise and unwavering support propelled our learning forward. Through engaging in a diverse array of subjects and technologies, from Python programming to cybersecurity topics, we were able to broaden our knowledge base and hone our practical skills. Furthermore, the collaborative environment fostered within the team encouraged active participation and knowledge-sharing, enhancing our learning experience. These highlights, coupled with hands-on projects and real-world applications, not only enriched our internship experience but also laid a solid foundation for our future endeavors in the realm of computer and network security.

Learnings by Student from Internship: Acquired proficiency in Python programming, Linux systems, automation techniques, and web scraping methodologies.
Developed a deeper understanding of software development lifecycle (SDLC) principles and software testing concepts.

How did the internship help student for his/her improvement: Applied theoretical knowledge in real-world scenarios through hands-on projects and exercises.
Gained practical experience in DevOps practices using Docker and Kubernetes, contributing to proficiency in modern software deployment methodologies.

Any other points: Created a mini project for last submission which is "The automated job application script is designed to streamline the process of applying for jobs on LinkedIn (or any other website). It utilizes Selenium, a web automation tool, to navigate through the LinkedIn job search page, sign in to the user's LinkedIn account, and apply for job listings."

Outcomes of Internships: The internship yielded significant outcomes, marking a transformative journey of growth and development. Through dedicated efforts, I advanced my technical skills, mastering Python programming, Linux systems, automation techniques, and web scraping methodologies. This newfound proficiency was not confined to theory but found practical application in real-world scenarios, where I contributed to the development of functional solutions and projects. Moreover, the internship deepened my understanding of critical concepts such as the software development lifecycle (SDLC),

ware testing, data organization, and cybersecurity measures. Hands-on experience in DevOps actices using Docker and Kubernetes further expanded my skill set, equipping me with modern oftware deployment methodologies. Collaborative projects fostered effective teamwork and communication, enhancing my ability to work within a team while leveraging collective expertise for success. Guided by seasoned professionals, the internship facilitated significant personal and professional growth, laying a robust foundation for future endeavors in the dynamic field of computer and network security.

TO WHOM SO EVER IT MAY CONCERN

This is to certify that **Ms. Sneha Bhagwan Gaikwad** from Shri Sant Gajanan Maharaj College of Engineering (Amravati University) has successfully completed her internship in HR & Admin department since 05th July 2023 to 04th Aug 2023

During her internship she has covered all HR concepts & functions through hands-on application.

We found her extremely inquisitive and hard working. She was very much interested to learn the functions of our department and also wiling to put her best efforts and get in to the depth of the subject to understand it better.

Her association with us was very fruitful and we wish her all the best in her future endeavors
