Outcome of Activity

Trees give off oxygen that we need to breathe. Trees reduce the amount of storm water runoff, which reduces erosion and pollution in our waterways and may reduce the effects of flooding. Many species of wildlife depend on trees for habitat. Trees provide food, protection, and homes for many birds and mammals.

Title of Activity	Cleanliness Drive Campaign
Organizer	NSS SSGMCE
Schedule of Activity	02/10/2023
Objective of Activity	Clean-up drives are an effective way to clear waste from natural habitats. Moreover, the visual impact of seeing others cleaning up a particular place littered with waste can have a domino effect and compel people to reflect on their actions.
Overview of Program	A cleanliness drive was implemented in 'Shri Sant Gajanan Maharaj Engineering College' at Shegaon, giving its valuable contributions. NSS units organized cleanliness campaign and labor donation as part of 'Swachhata Hi Seva' program organized on the birth anniversary of Father of the Nation Mahatma Gandhi. Program was coordinated by NSS PO Dr. S. P. Joshi and team. Total 48 participants take active part in this drive.
Venue	College Ground and Campus
No. of Participants	48

Outcome of Activity

Community cleanup programs should produce the following results: (1) improve the appearance of an area that was previously neglected, abandoned, vandalized, or misused; (2) allow community members to use and enjoy the improved area more than they did before the cleanup; and (3) strengthen community ties of those involved in the cleanup. The effectiveness of community cleanup programs should be evaluated in terms of reducing fear of crime, cost-effectiveness, impact, support and resources, and community safety.

Outcome of Activity	<p>The initiative aimed not only to collect blood but also to raise awareness about the importance of regular blood donation and its impact on saving lives. The camp witnessed a remarkable turnout of donors who selflessly came forward to donate blood. Conducting voluntary blood donation camp in regular basis will increase the stock of blood units in blood bank which is needed for optimum functioning of the health-care system. The organization of blood donation camp should be best and safe to the patient/recipients and to the blood donor.</p>
Photographs	 <p>The photograph captures a group of individuals, likely students and faculty, gathered for an outdoor activity. A man in a white shirt is gesturing towards a table or display, possibly explaining something. The group consists of both men and women, some in formal attire and others in more casual clothing. The background shows a building and trees, indicating an outdoor setting. A GPS overlay is visible at the bottom of the image, providing location and time information.</p>

Title of Activity	NSS Camp Swachata Abhiyan
Organizer	NSS Unit SSGMCE Shegaon
Schedule of Activity	22/01/2024
Objective of Activity	The primary objective of the NSS camp is to instill a sense of social responsibility, community engagement, and teamwork among participants. Through various activities such as community outreach, skill development workshops, educational initiatives, and cultural exchange, the NSS camp aims to contribute to the holistic development of both the volunteers and the local community. The overarching goal is to foster values of service, leadership, and civic duty, creating a positive impact on society.
Overview of Program	<p>A cleanliness drive was carried out under by NSS volunteers. NSS volunteers undertook a comprehensive cleanliness drive in the designated area. This involved the removal of litter, sweeping public spaces, and disposing of waste responsibly. An awareness campaign was conducted to educate the local community about the importance of cleanliness and the need for everyone's involvement in maintaining a clean and hygienic environment. The educational initiatives left a lasting impact on participants and community members, promoting awareness about sustainable practices for maintaining cleanliness.</p> <p>Students also made the arrangements for the waste management in different areas. Emphasizing the importance of recycling, the camp implemented initiatives to repurpose materials such as paper, plastic, and glass. Workshops were conducted to educate participants on the significance of recycling and its positive impact on the environment. Students actively participated in the segregation of waste into categories such as recyclables, non-recyclables, and organic waste. Dedicated collection points were set up, ensuring a systematic approach to waste disposal. And so the students contributed towards the environment.</p>

Title of Activity	NSS Camp
Organizer	Women Development cell
Schedule of Activity	22/01/2024
Objective of Activity	Introducing students to yoga asanas that enhance flexibility, strength, and overall physical fitness. Incorporating breathing techniques and meditation to reduce stress, improve mental clarity, and promote emotional balance. Creating an interactive learning environment where students actively participate, ask questions, and deepen their understanding of the benefits of yoga. Providing tools for stress management through mindfulness practices, empowering students to cope with academic and personal challenges effectively.
Overview of Program	The Women Development Cell organized a rejuvenating yoga session aimed at promoting physical and mental well-being among students. The session took place on 22-01-2024 at Chincholi Karfarma, with an enthusiastic turnout of participants. The session commenced with a brief inauguration, highlighting the importance of holistic health and the role of yoga in achieving balance. Participants were introduced to the yoga instructor, creating a welcoming atmosphere. The instructor guided participants through a series of yoga asanas, emphasizing postures that enhance flexibility, strength, and relaxation. Breathing techniques and meditation were also incorporated to promote mental clarity and stress reduction. Special emphasis was placed on mindfulness practices and stress management techniques. Participants learned how to integrate these practices into their daily routines to cope with academic and personal challenges. The yoga session included a segment on general wellness tips, nutrition, and the availability of resources within the Women Development Cell to support students in maintaining a healthy lifestyle. Thus, today's Yoga Session was carried out successfully and efficiently with the help of all NSS volunteers, coordinators under the guidance of Ganesh Bonde Sir, Saurabh Joshi Sir, Sneha Gachake.

Title of Activity	Baudhik satra by Adv. Deshmukh
Organizer	NSS Unit SSGMCE Shegaon
Schedule of Activity	26/01/2024
Objective of Activity	The primary objective of the session was to underscore the intrinsic value of Mother Earth and emphasize the need for proactive measures to protect and preserve the environment.
Overview of Program	Advocate Atul Deshmukh conducted an enlightening session titled "गे मायभू तुरुझे मी फे डीन पाग सारे" as part of the NSS Camp curriculum. The session aimed to give the importance of Mother Earth and foster a deeper understanding of environmental conservation among the participating students. Advocate Atul Deshmukh initiated the session by providing a thought-provoking introduction to the theme "गे मायभू तुरुझे मी फे डीन पाग सारे" and its relevance in the context of environmental conservation. The session delved into an exploration of the multifaceted importance of Mother Earth, elucidating how the planet sustains life, nurtures biodiversity, and provides essential resources for human survival. The session facilitated a discussion on pressing environmental challenges such as deforestation, pollution, climate change, and habitat destruction. Advocate Deshmukh underscored the urgency of addressing these challenges to ensure the well-being of future generations. Advocate Deshmukh concluded the session with a compelling call to action, urging students to become proactive stewards of the environment and advocates for sustainable living practices. He encouraged them to embrace eco-friendly behaviors and actively participate in conservation efforts within their communities. The intellectual session led by Advocate Atul Deshmukh proved to be both informative and inspiring, providing students with valuable insights into the importance of Mother Earth and the imperative of environmental stewardship. By fostering a deeper appreciation for the planet's natural resources and highlighting the interconnectedness of all living beings, the session contributed to the camp's overarching goal of promoting ecological awareness and responsible citizenship.

Title of Activity	Intellectual session by Dhekekar Sir
Organizer	NSS Unit SSGMCE Shegaon
Schedule of Activity	26/01/2024
Objective of Activity	The primary objective of the session was to enhance students' awareness and understanding of values and ethics, emphasizing their importance in personal and societal development.
Overview of Program	<p>As part of the NSS Camp's holistic approach to personal development, an intellectual session on values and ethics was conducted by Dr. R.S. Dhekekar, a distinguished speaker and expert in the field. The session aimed to instill a deeper understanding of ethical principles and values among the participating students. Dr. R.S. Dhekekar commenced the session with a brief introduction, highlighting his expertise in the field of values and ethics. The session delved into the fundamental concepts of values, exploring how they shape individual behaviour, decision-making, and interactions with others. Dr. Dhekekar elaborated various ethical principles, providing real-life examples and case studies to illustrate their application in different scenarios. The session encouraged active participation and engagement through interactive discussions, allowing students to share their perspectives and insights on ethical dilemmas. Practical examples were presented to help students understand how values and ethics can be integrated into their daily lives, fostering personal growth and responsible citizenship. A question-and-answer segment provided students with an opportunity to seek clarification, express opinions, and engage in thoughtful dialogue with Dr. Dhekekar. The intellectual session concluded with a summary of key takeaways and a call to action for students to apply the principles of values and ethics in their lives. Dr. R.S. Dhekekar's engaging and informative presentation left a lasting impression, contributing to the overall educational and developmental objectives of the NSS camp.</p>
Venue	Chincholi Karfarma
No. of Participants	100
Outcomes of the activity	The intellectual session on values and ethics significantly enriched the educational component of the NSS camp, fostering a sense of ethical responsibility and moral awareness among the participating students.

Impact of Community Engagement on Student Development

Engaging students in extension activities within their neighbourhood community had a profound impact on their personal and social development.

Increased Social Awareness:

Exposure to real-world social issues enhances students' understanding of the challenges faced by their community.

Interacting with diverse groups of people helps build empathy and compassion.

Enhanced Leadership and Teamwork Skills:

Organizing and participating in community projects fosters leadership skills.

Collaborative efforts with peers and community members strengthen teamwork and communication skills.

Improved Problem-Solving Abilities:

Dealing with real-life issues requires critical thinking and problem-solving skills.

Students learn to adapt and find solutions in dynamic and challenging situations.

Sense of Civic Responsibility:

Engagement in community service instilled a sense of responsibility towards societal well-being.

Students developed a deeper understanding of their role as responsible citizens.

Cultural Sensitivity and Inclusivity:

Interacting with diverse community members promoted cultural sensitivity.

Students learned to appreciate and respect different perspectives and backgrounds.

Enhanced Communication Skills:

Engaging with the community improved verbal and written communication skills.

Students learned to effectively convey ideas, listen actively, and articulate their thoughts.

Long-lasting Sense of Purpose:

The positive experiences gained during community engagement lead to a lifelong commitment to social causes.

Students developed a lasting sense of purpose and a desire to contribute to society throughout their lives.

Overview of the Program:

On August 12, 2024, a comprehensive Mentoring Session for ATL Schools was conducted at Shivaji Multipurpose Higher Secondary School, Amravati, with Piyush A Dalke, Assistant Professor at SSGMCE Shegaon, as the resource person. Scheduled from 1:30 PM, the session aimed to significantly enhance the practical skills of participants and foster a robust innovation and entrepreneurship mindset. The program began with an introduction to the Atal Tinkering Lab's resources, including 3D printers, robotics kits, and electronics components, providing a hands-on demonstration of their applications. Participants engaged in interactive activities, learning to effectively operate these tools and develop functional prototypes. The session also focused on cultivating innovative thinking, guiding attendees through the process of turning creative ideas into actionable projects.

Key outcomes included increased competency in utilizing ATL resources and the development of innovative project ideas and entrepreneurial skills. Students and staff left the session equipped with valuable insights and practical skills, ready to apply their newfound knowledge to real-world challenges and opportunities. This mentoring session not only enhanced technical abilities but also inspired participants to pursue their own entrepreneurial ventures, reflecting a successful integration of education and entrepreneurial development.

Overview of the Program:

Under Institute Innovation Council Shri Sant Gajanan Maharaj College of Engineering organized Innovation and Entrepreneurship Outreach Program in School on 16/12/2023. The school chosen for this program is A.K National School Khamgaon. This program is designed to instill in students a heightened awareness of innovative thinking, nurture their entrepreneurial skills, and proficiently equip them with the use of the MS Office Suite. Its purpose is to enable students to discern fundamental business concepts in their surroundings and showcase the effective integration of technology into their enterprises.

The resource person of this program Prof. Mrs. S.N Khandare introduced the concept of innovation. Students were encouraged to think creatively, solve problems, and explore new ideas. Practical exercises, brainstorming sessions, and case studies helped in developing a hands-on understanding of innovation.

Experts also explain the importance of technical skills for uplifting entrepreneurship. The integration of technical skills plays a pivotal role in driving innovation and entrepreneurship. In today's rapidly evolving landscape, where technology is a key driver of progress, individuals equipped with technical proficiency are better positioned to navigate the complexities of innovation and entrepreneurship.

The session ended with a question & answer session followed by the votes of thanks, giving the students an opportunity to clarify their doubts about entrepreneurship & innovation. It was an interactive session with the school students. The session was focused on motivating students for innovation & entrepreneurship and developing technical skills that help students.
