Green Campus Initiatives

From Paper to Pixels: Transforming Office Communication

The institution has implemented a paper-minimization policy for all official and academic communications, prioritizing E-Communication to significantly reduce paper consumption. To prevent paper wastage, one-sided blank pages are utilized for documentation. All college staff members have been provided with college E-mail IDs, facilitating official college-related correspondence through electronic means. Furthermore, WhatsApp groups have been established based on class, department, and committees, reducing the need for paper-based notices and circulars

Eco-Friendly Landscaping:

The institute has set up a dedicated nursery and greenhouse on campus, with a primary emphasis on herbal plantation. Towering trees such as Neem, Wad, Pipal, Chinch, Goolmohor, and others adorn the lush green landscape throughout the campus. Within the greenhouse and nursery, a diverse range of medicinal herbal plants are cultivated, including Brahmi, Ashwagandha, Shatawari, Aloe vera, Amla, Moringa, Tulsi, Indian Bael (Bilva), Cassia, Nilgiri, and more.

Talking Tree App:

The institution has implemented a "Talking Tree" app, offering users a comprehensive platform to engage with trees. Beyond identifying various tree species through QR code scanning, the app fosters environmental awareness by providing detailed information on each tree's common and scientific names, characteristics, habitats, and ecological significance. Moreover, the app offers an extensive array of educational content about trees, ranging from conservation practices to sustainable forestry techniques. Thus, this app also supports the broader goals of green campus initiatives by promoting environmental awareness, sustainability, and community engagement.

(Report of World Environment Day Celebration)

08th Aug 2024

Name of the event:	Day Celebration Organized by IIC and SSGMCE
Level	Level1
Event Coordinator	Mr. V. K. Bhangdiya, Dr. M. N. Tibdewal SSGMCE Shegaon
Start date& End Date	08/08/2024
Duration of the activity	1 Hour
No. Participants	67 Students+ 02 Staff
Mode of session	Offline
Venue	EXTC Department SSGMCE Shegaon
Total Number of Students	67
All Social media Link	https://www.instagram.com/ssgmceshegaon/p/C-U3HUZMPoa/ https://www.facebook.com/photo/?fbid=902462255236820&set=a.449459043870479
Objective	<ul style="list-style-type: none"> • Raise Awareness: Enhance understanding of pressing environmental issues and promote the importance of environmental conservation among students and faculty. • Educate: Provide valuable insights into sustainable practices and technologies that can help mitigate environmental impact. • Inspire Action: Encourage participants to adopt eco-friendly practices and contribute positively to environmental sustainability.
Outcomes	<p>The Environmental Day celebration successfully achieved its objectives with the following outcomes:</p> <ul style="list-style-type: none"> • Increased Awareness: Participants gained a deeper understanding of environmental issues and the need for immediate action. • Educational Impact: The keynote address and provided valuable knowledge on sustainability and innovative practices. • Inspiration for Action: The interactive session and tree plantation drive motivated attendees to incorporate eco-friendly practices into their daily lives.

Overview of day Celebration:

The celebration began with a formal inauguration by Dr. M. N. Tibdewal, Head of the EXTC Department, who outlined the significance of Environmental Day and the department's commitment to promoting sustainability.

Keynote Address by Dr. R. M. Kharate

Dr. R. M. Kharate, a distinguished environmentalist, delivered the keynote speech focusing on:

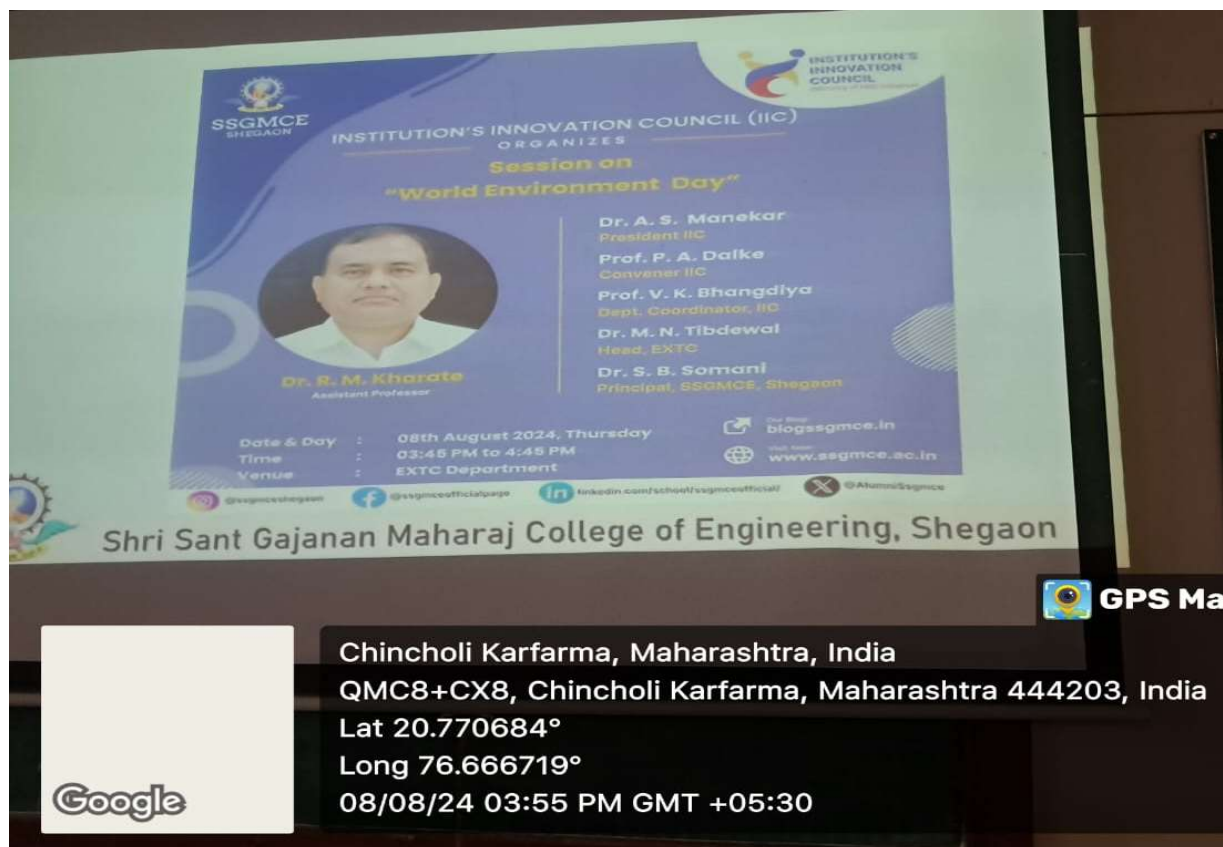

- **Current Environmental Challenges:** Detailed insights into issues such as climate change, pollution, and resource depletion.
- **Sustainable Practices:** Emphasis on practical solutions for reducing environmental impact, including energy conservation, waste management, and sustainable consumption.
- **Innovative Technologies:** Discussion on emerging green technologies and their role in environmental conservation.

Interactive Session

An engaging Q&A session followed Dr. Kharate's address, where students and faculty members actively participated. Dr. Kharate provided answers to various questions related to environmental issues and offered practical advice for implementing sustainable practices in everyday life.

The Environmental Day celebration held by the EXTC department at Shri Sant Gajanan Maharaj College of Engineering, Shegaon, was a significant step towards fostering environmental consciousness.
