Title of Activity	Awareness program for Competitive Exams (MPSC, UPSC) Awareness for Higher Studies (MBA, CAT, GRE) Future Prospectus in Engineering
Speaker	Mr. Vikas Girase, Unique Career Academy Pune Mr. Amol Agrawal Director, T.I.M.E (Akola Branch) Mr. Ritesh Mundhada, T.I.M.E
Organizer	Career Guidance Cell,SSGMCE Shegaon
Schedule of Activity	26-02-2020
Time	03.45 pm to 6.00 pm
Objective of Activity	<p>The primary objective of program was to provide comprehensive awareness, guidance, and support for individuals navigating competitive exams, higher education choices, and future prospects in engineering.</p> <p>Here are some key objectives for such a webinar:</p> <ul style="list-style-type: none"> To Provide detailed information on the patterns and syllabi of competitive exams such as MPSC and UPSC to help participants understand the structure of these exams. To share effective strategies and tips for exam preparation, including time management, resource utilization, and stress management, for competitive exams. To create awareness about higher education options, particularly in the fields of MBA, CAT, and GRE, by providing insights into the admission processes and eligibility criteria.. To offer guidance on choosing specializations within MBA, CAT, and GRE programs, helping participants align their academic interests and career goals. To Provide information on emerging trends and opportunities in the field of engineering, including discussions on new technologies, research areas, and industry demands.
Venue	New Auditorium
No. of Beneficiaries	600 Students

Program Overview:

An awareness program encompassing Competitive Exams (MPSC, UPSC), Higher Studies (MBA, CAT, GRE), and Future Prospects in Engineering was conducted at SSGMCE. The program featured three distinguished speakers: Mr. Vikas Girase from Unique Career Academy Pune, Mr. Amol Agrawal, Director of T.I.M.E (Akola Branch), and Mr. Ritesh Mundhada from T.I.M.E. The program commenced

with an opening session, welcoming participants and setting the tone for an insightful and informative session.

Mr. Vikas Girase provided a comprehensive overview of the patterns, syllabi, and strategies for success in competitive exams. He shared insights into the diverse career paths available post-exam and encouraged a proactive approach to exam preparation.

Mr. Amol Agrawal, Director of T.I.M.E (Akola Branch), enlightened participants on opportunities in higher education. He discussed MBA, CAT, and GRE programs, providing guidance on specialization choices, admission processes, and the skills required for success.

Mr. Ritesh Mundhada explored the dynamic landscape of engineering. He discussed emerging trends, job opportunities, and the importance of continuous learning in engineering fields. The session aimed to inspire students to envision a promising career in engineering.

The speakers provided information about various resources, study materials, and tools that will assist participants in their exam preparation, higher studies, and engineering careers.

A lively Q&A session followed each speaker's presentation, providing participants with the opportunity to seek clarification, advice, and personalized insights.

Learning Outcomes:

Students gained valuable strategies and tips for effective preparation for competitive exams such as MPSC and UPSC, enhancing their chances of success.

Students gained awareness of the competitive exams, higher education options, and future prospects in the engineering field..

Knowledge about MBA, CAT, and GRE programs, including admission processes and specialization choices, provides participants with a clearer understanding of higher education opportunities.

The success stories, insights, and motivational talks from the speakers inspired participants to set ambitious goals and work towards achieving them

Emphasis on continuous learning and staying updated with industry trends encourages participants to adopt a lifelong learning mindset for ongoing success.

About Program:

Carrer Guidance and Motivation Programme - **A Career Guidance Session** was organized for 3rd year student of BE.

Mr. Akshay Ingle, a System Engineer at TCS in Pune, recently shared invaluable insights and guidance with eager students. During the interactive session, Mr. Ingle emphasized key themes, including education, skills, and career choices. He spoke eloquently about his own experiences, providing students with a glimpse into the challenges and triumphs that shaped his remarkable career. Furthermore, Mr. Ingle shed light on additional topics such as industry trends, networking, and soft skills. His practical tips on these subjects resonated with the audience, offering actionable advice for personal and professional development.

The session was not merely about career guidance; it was a motivational experience that ignited a sense of purpose among the students. Mr. Ingle's anecdotes and motivational stories left an indelible impression, inspiring students to pursue their dreams with unwavering determination.

In conclusion, Mr. Akshay Ingle's guidance session was a valuable opportunity for students to gain insights from an accomplished professional. As they embark on their own journeys, they carry with them the wisdom imparted by Mr. Ingle, a guiding force toward a successful and fulfilling future.

Learning Outcomes:

- 1 The session likely increased students' awareness of various career paths within the field of system engineering, especially in a reputed organization like TCS.
- 2 students developed a better understanding of how to build professional connections and leverage them for career growth.
- 3 Participants are better prepared to adapt to industry trends, having gained insights into the current landscape of system engineering and related fields.

GUEST LECTURE

All the Second & Third Year B.E. Electrical Engineering students are hereby informed that EESA has organised a guest lecture by Mr. Akshay Ingle (Assistant System Engineer, TCS, Mumbai).

The lecture will be focused on "Career Guidance & Motivation".

Lecture Schedule is as follows.

Date of Lecture : 01-08-2019

Time : 2.15 pm to 4.15 pm

Venue: A2 Classroom

Organized by : EESA, Electrical Engineering Department, SSGMCE Shegaon

Mr. R.K. Mankar
Faculty Advisor
(EESA)

Mr. P.R. Dhabe

Dr. S.R. Paraskar
Head
(Electrical Engineering Department)

Department: Electrical Engineering

Session: 2019-20 (Autumn Sem)

Time: 02:15 PM - 02:45 PM

Date: 01-08-19

Guest Lecture on: Career Guidance & Motivation

Name of Speaker: Mr. Akshay Ingle (Alumni 2019) (Assistant System Engineer, TCS Mumbai)

Organized By: EESA

Target Group: 2nd Year Electrical Engineering Students

Program Objectives: To make students aware about preparation strategies to face industries.

About Program:

Carrer Guidance and Motivation Programme - **A Career Guidance Session** was organized for 4th year student of BE.

Miss Shraddha Deshmukh, illuminated the path for Electrical Engineering students, shedding light on the vast opportunities that lie at the intersection of their discipline and the dynamic field of software. Miss Deshmukh commenced the session by introducing the exciting world where Electrical Engineering and software seamlessly converge. She highlighted how the logical thinking and problem-solving skills honed in Electrical Engineering find rich applications in the software industry.

She emphasized areas within software development where Electrical Engineering skills, such as algorithm design and optimization, are not just advantageous but highly sought after.

Learning Outcomes:

- 1 Participants gained a heightened awareness of the diverse opportunities available in the software industry, particularly those that align with their Electrical Engineering background.
- 2 Students developed a clearer understanding of how their skills in Electrical Engineering can synergize with the demands and challenges of the software industry.
- 3 The session empowered students to make more informed decisions about their career paths by showcasing the relevance and applicability of their Electrical Engineering skills in the software sector.

Report on Guest Lecture / Interaction for session 2019-20

Date: 14/8/2019

Submitted:

To,

The Principal

S.S.G.M.C.E., Shegaon.

Name of the Speaker: Miss.Shraddha Deshmukh

Designation: Assistant System Engineer-Trainee (Tata Consultancy Services, Ahmedabad)

Lecture Date: 13-08-2019

Time: 3.00 pm to 3.15 pm

Venue: Electrical Engineering Department, A4 Class Room

Target Group: Final Year B.E. Electrical Engineering Students

Program Outcomes attained through this Guest Lecture : PO-6, PO-12

Dr. S. R. Paraskar Sir welcomed the guest and the speaker has focused on following issues :

To aware the students regarding opportunities of Electrical Engineering students in software industry.

Session was concluded with vote of thanks.

Dr. S.R.Paraskar

Head Of Electrical Engineering Department

Khamgaon Road, Shegaon, Dist: Buldhana

Sr No	Title of Activity	Opportunities for Electrical Engineer in Robotic for 3rd year student of BE
1	Speaker	Mr. Chaitanya Gore (Robotics Engineer (kuka Robotics Pune))
2	Co-Ordinator	Mr. R.K.Mankar
3	Co-Cordinator	Mr. P.R.Dhabe
4	Schedule of Activity	03-02-2020
5	Time	3.pm to 4 pm
6	Objective of Activity	<ol style="list-style-type: none"> 1. To Provide a comprehensive introduction to the field of robotics, highlighting the specific roles and contributions that electrical engineers can make in this dynamic and interdisciplinary domain. . 2.To Explore current trends in the robotics industry and discuss how these trends create opportunities for electrical engineers to contribute and excel. 3. To Provide insights into the specific technical skills and knowledge areas that electrical engineers should focus on to enhance their capabilities in the robotics field.
7	Venue	A3 Classroom Electrical Engineering Department, SSGMCE Shegaon
8	No. of Beneficiaries	Total- 50
9	Pos addressed	PO-1,PO-8.P0-12, PSO-1 & PSO-2.

About Program:

Carrer Guidance Programme – Guest lecture on Opportunities for Electrical Engineer in Robotic for 3rd year student of BE

Mr. Chaitanya Gore illuminated the path for aspiring engineers, showcasing the dynamic synergy between electrical engineering and the ever-evolving world of robotics. He commenced the session by weaving a narrative that outlined his personal journey into the realm of robotics.

Mr. Gore not only shared his experiences, challenges faced, and triumphs achieved but also presented groundbreaking innovations within robotics. His engaging discourse ignited a spark of creativity and innovation among the budding engineers present.

In conclusion, Chaitanya Gore's session was a journey into the future, offering a captivating exploration of the boundless opportunities awaiting electrical engineers in the fascinating world of robotics.

Learning Outcomes:

- 1 Participants gained insights into how their skills can be applied in the ever-evolving field of robotics.
- 2 Participants likely acquired knowledge about the specific technical skills and areas of expertise required to excel in the field of robotics.
- 3 The session contributed to an increase in confidence among participants. Understanding the real-world impact of electrical engineers in robotics and learning about successful projects may have boosted participants' confidence in their own potential contributions.

NOTICE

Date : 05/08/2019

GUEST LECTURE

All the Final Year B.E. Electrical Engineering students are hereby informed that EESA has organised a guest lecture by Miss Shraddha Deshmukh (Assistant System Engineer-Trainee, TCS Ahmedabad).

The lecture will be focused on “Career Guidance & Motivation”.

Lecture Scheduled is as follows.

Date of Lecture : 13-08-2019

Time : 3.00 pm to 3.30 pm

Venue: A4 Classroom

Organized by : EESA ,Electrical Engineering Department ,SSGMCE Shegaon

Mr. R.K.Mankar
Faculty Advisor
(EESA)

Mr. P.R.Dhabe

Dr.S.R.Paraskar
Head
(Electrical Engineering Department)

Shri Sant Gajanan Maharaj College of Engineering, Shegaon,
Dist: Buldhana (M.S.)

Department: Electrical Engineering

Time: 3.45 pm to 4.15 pm

Organized By : EESA

Program Objectives:

Session: 2019-20

Date: 3 Feb 2020

Target Group: 3rd Year Electrical Engineering Students

opportunities for Electrical Engineers in Robotics
