SHRI SANT GAJANAN MAHARAJ COLLEGE OF ENGINEERING, SHEGAON.

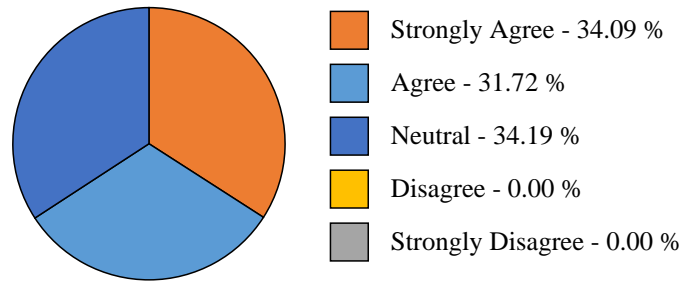

Feedback Analysis and Action Taken Reports -Academic Year 2021-22

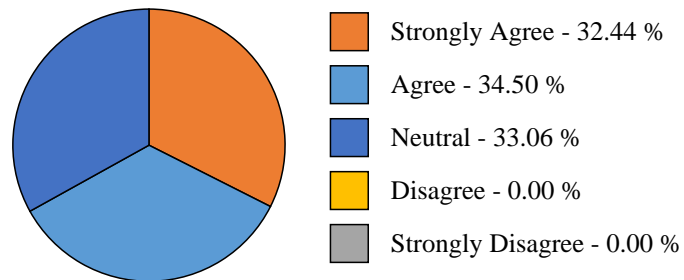

Total responses received : 971

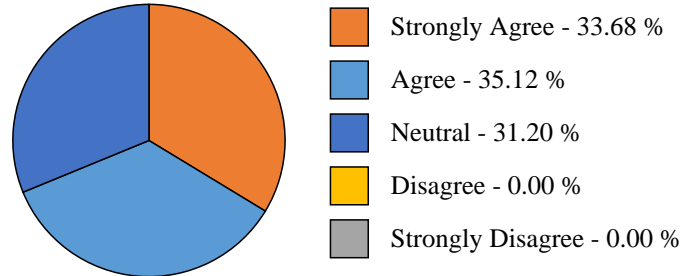

Q1) The Course sequences in the curriculum are accurate.

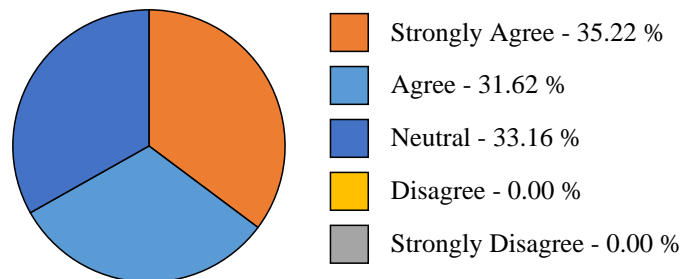

Q2) The credits of courses and contact hours are evenly distributed.

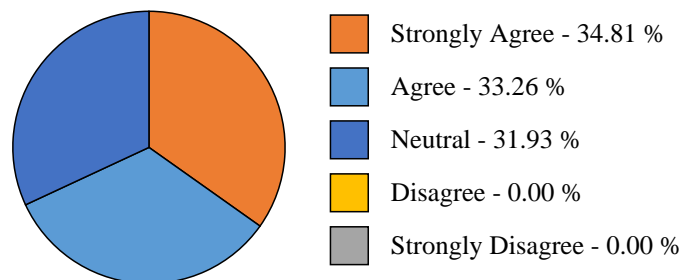

Q3) The curriculum promotes learning based on research.

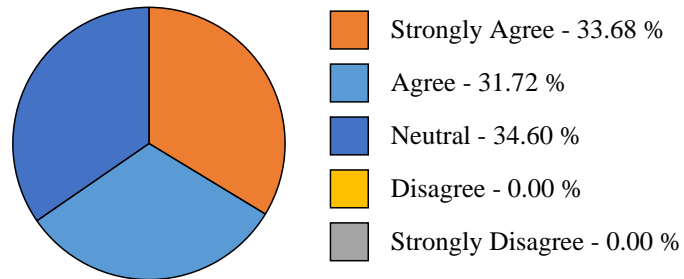

Q4) The curriculum provides opportunity for holistic education.

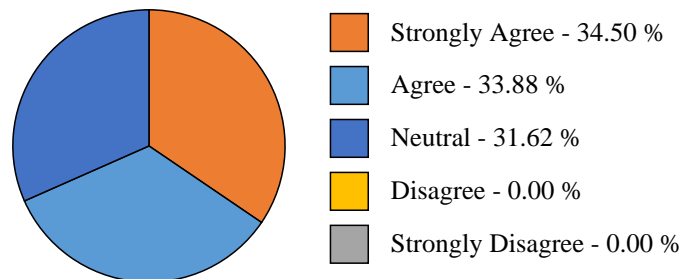

Q5) The course objectives and outcomes are well defined.

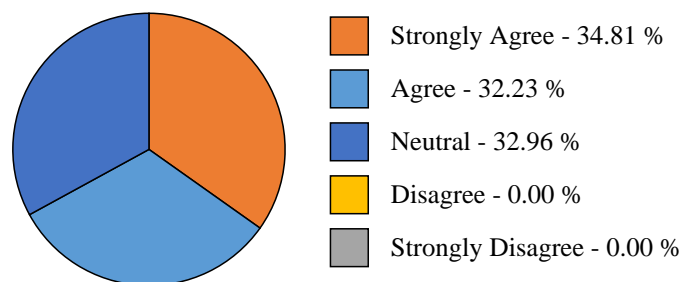

Q6) The value-added courses are offered in the curriculum scheme.

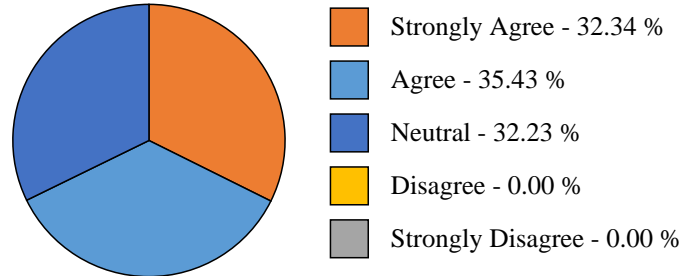

Q7) The design of courses promotes to extralearning or self-learning.

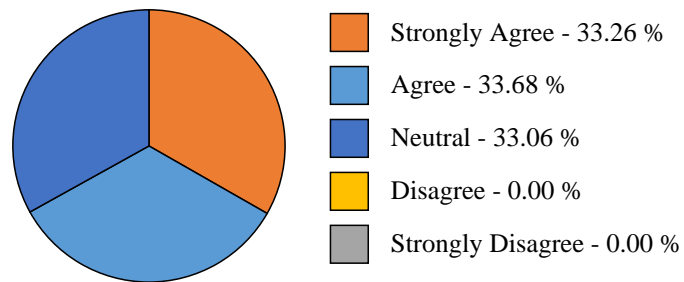

Q8) The scheme offers the choice based learning to the students.

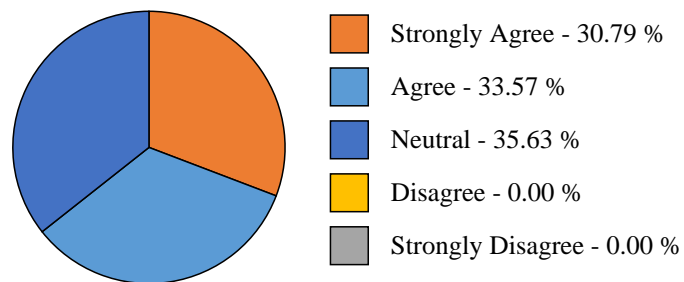

Q9) The courses in the curriculum has well balance between theory and practical.

Q10) The courses in the curriculum inculcate management and entrepreneurial skills.

Q11) The courses in the curriculum emphasise personal, career, and lifelong learning.

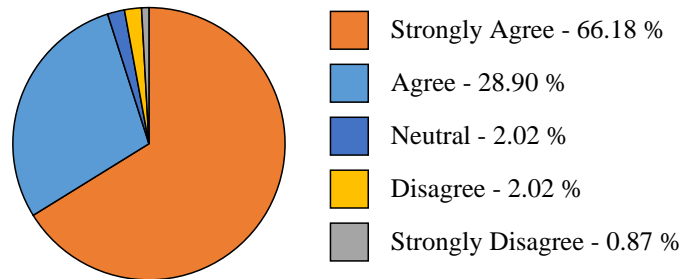

IQAC, SSGMCE

PRINCIPAL, SSGMCE

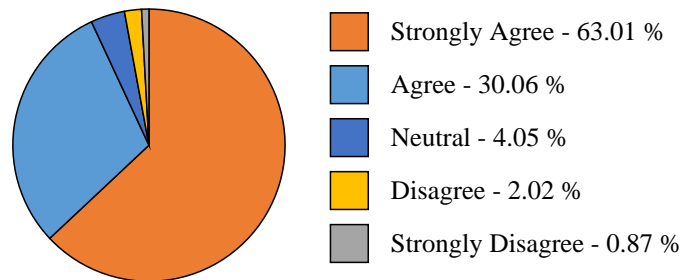

Total responses received : 346

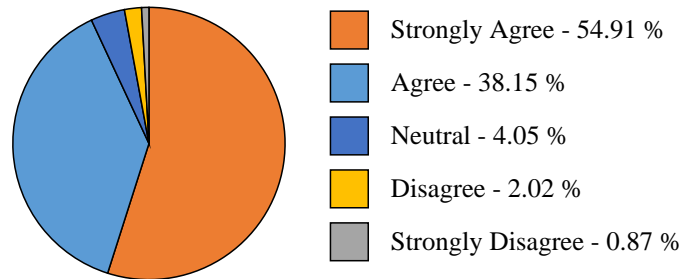

Q1) The curriculum has fulfilled the objectives of the program.

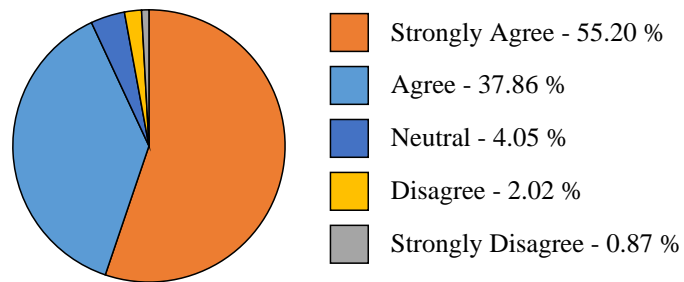

Q2) Curriculum helps in overall personality development.

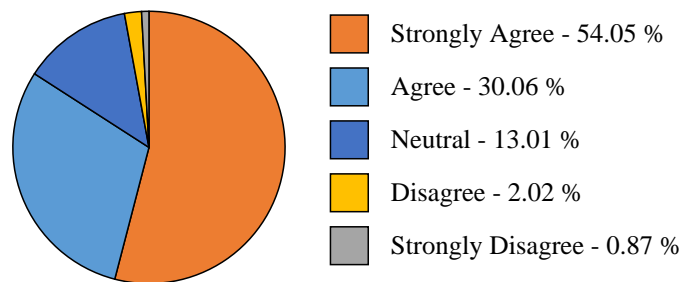

Q3) The curriculum develops the competencies expected by the industry/current global scenarios.

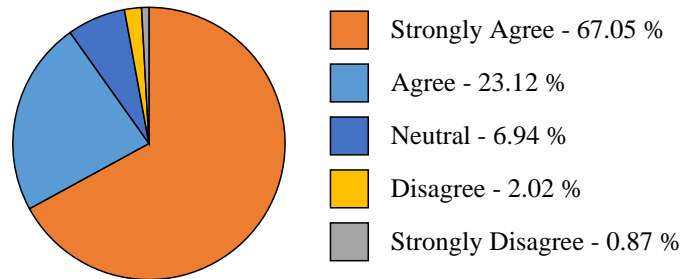

Q4) Curriculum help in solving real time problems.

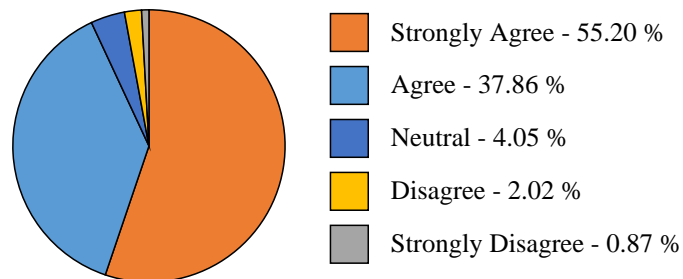

Q5) The value-added courses are offered in the curriculum scheme.

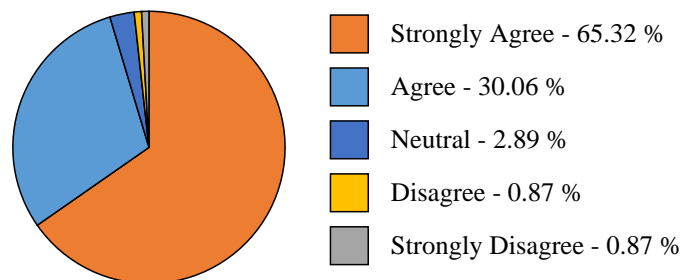

Q6) The courses in the curriculum have well balance between theory and practical.

Q7) The courses in the curriculum inculcate management and entrepreneurial skills.

Q8) The courses in the curriculum emphasise personal, career, and lifelong learning.

IQAC, SSGMCE

PRINCIPAL, SSGMCE

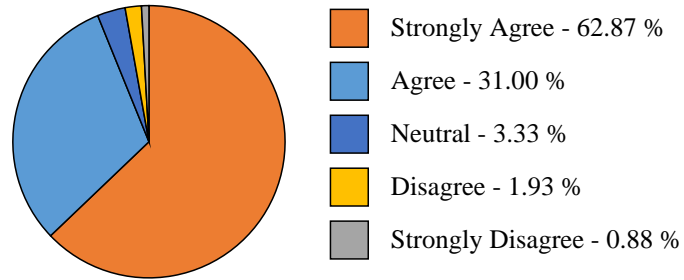

PARENT FEEDBACK

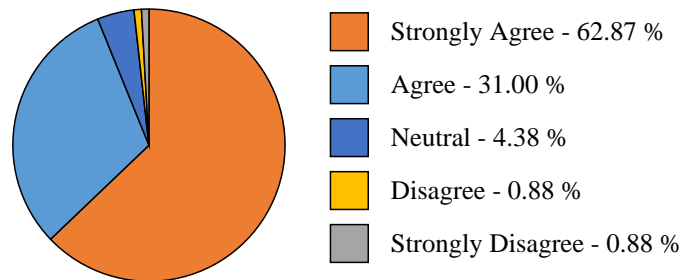

ACADEMIC YEAR-2021-22

Total responses received : 571

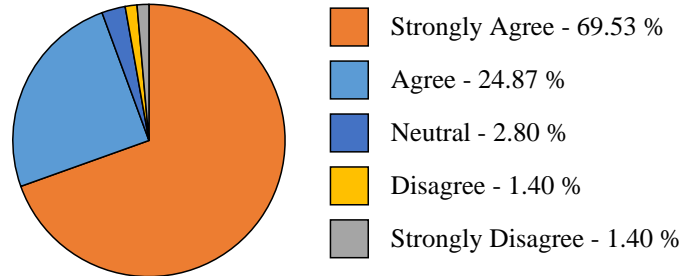

Q1) Academic Excellence

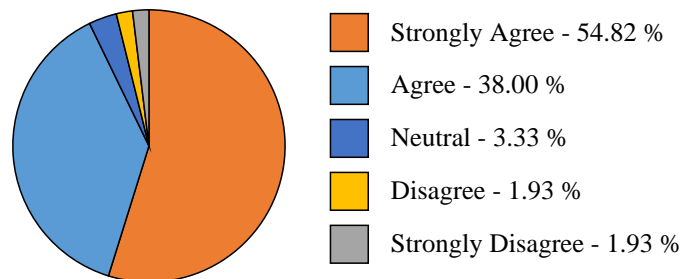

Q2) Quality of Teaching and Faculty

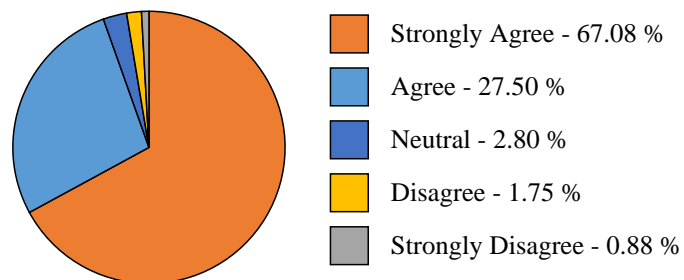

Q3) Infrastructure and Facilities

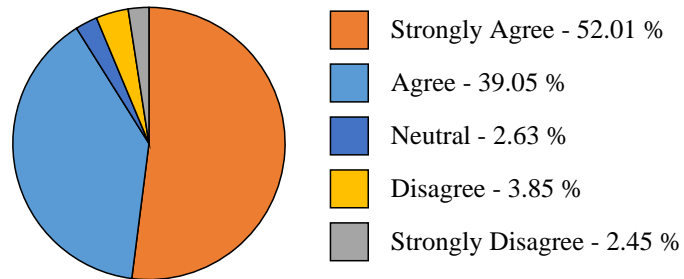

Q4) Safety and Security Measures

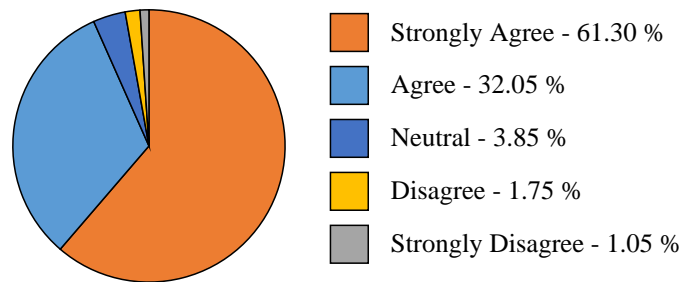

Q5) Extracurricular Activities and Sports

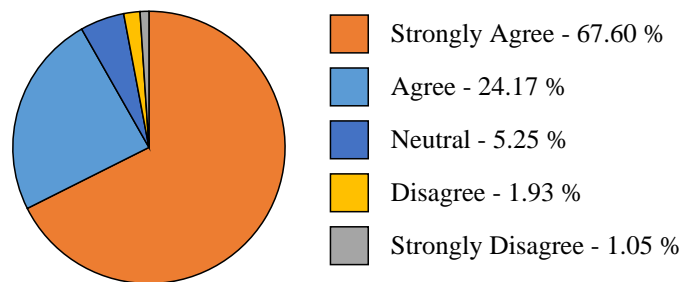

Q6) Hostel / Mess / Canteen

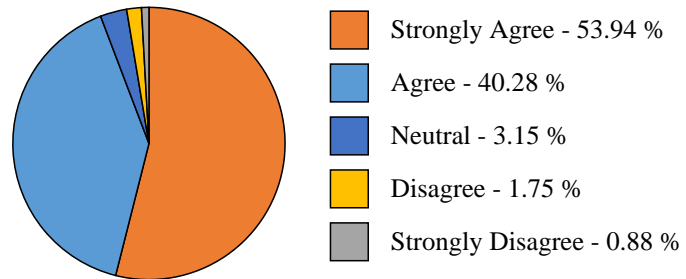

Q7) Academic Counselling

Q8) Placement Assistance

Q9) Overall Satisfaction

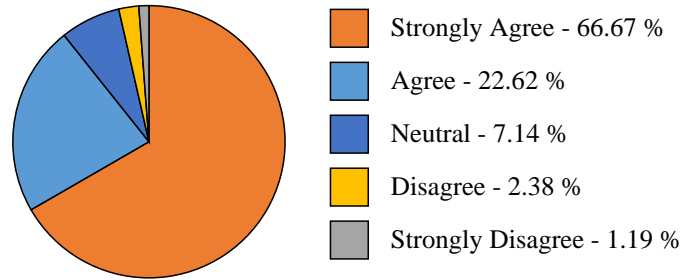

IQAC, SSGMCE

PRINCIPAL, SSGMCE

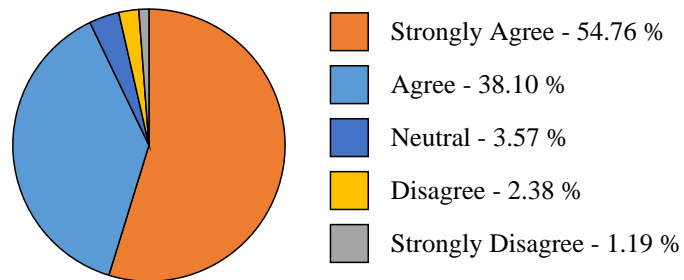

Total responses received : 84

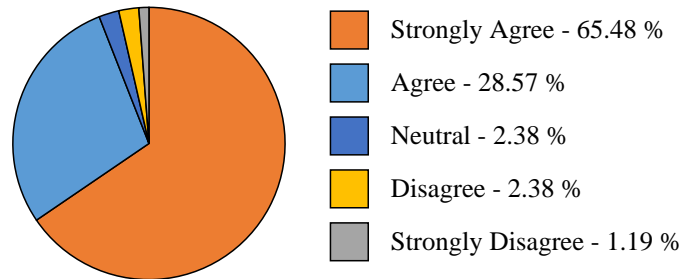

Q1) The structure of the scheme for the entire program is well balanced

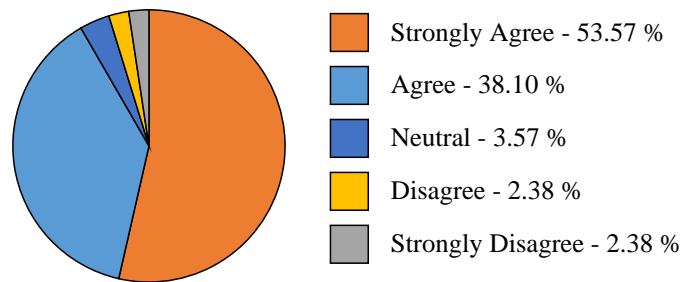

Q2) The sequence of the courses provided in the curriculum are appropriate

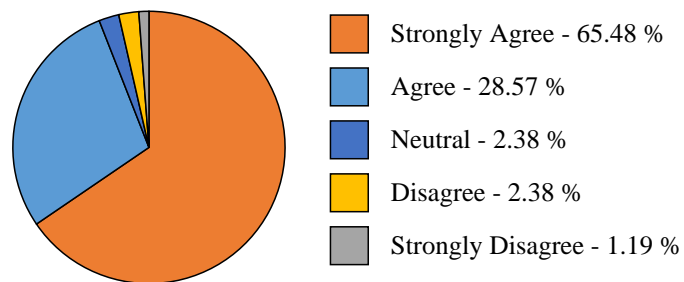

Q3) The curriculum develops the competencies expected by the industry/current global scenarios

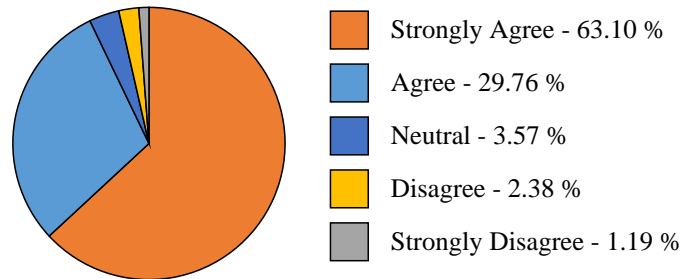

Q4) The design of courses offers extra-learning or self-learning.

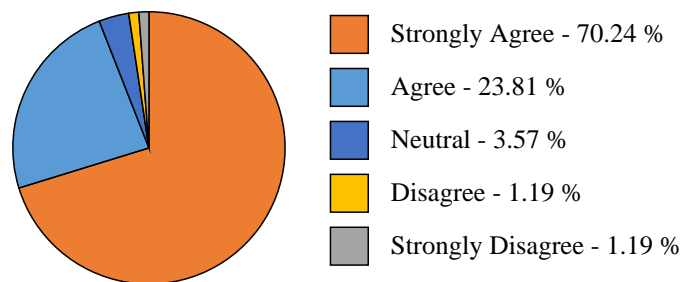

Q5) A flexible scheme provides the choice based learning to the students

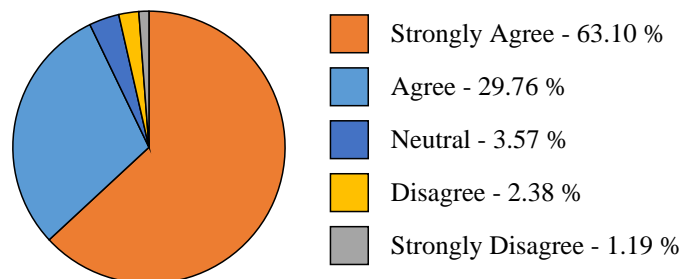

Q6) The scheme has well balance between theory and practical

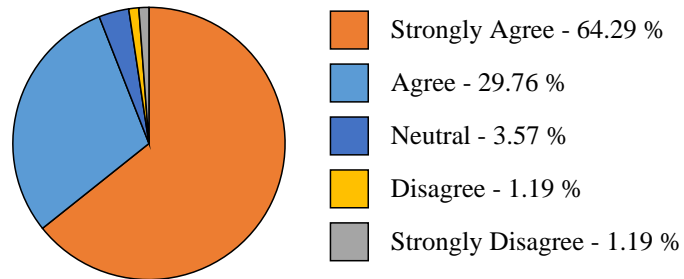

Q7) The composition of courses in terms of Program Core, Program Electives, Open Electives, Project, Internship etc. is well balanced.

Q8) The courses in curriculum are balanced to inculcate leadership skills/ team management/ entrepreneurship skills along with personal and career development.

Q9) I have the freedom to propose, modify, suggest and incorporate new topics in the syllabus through proper forum.

Action Taken Report on Feedback

The institute is dedicated to achieving continuous improvement and excellence in engineering education. This report undertakes the analysis of feedback provided by our diverse group of stakeholders. The feedback collection methods included online and offline surveys, with participation from students, faculty, alumni, parents, and employers.

The feedback covered a broad spectrum of topics, including curriculum, teaching quality, facilities, career preparedness, and communication.

To systematically categorize and evaluate the feedback, an analysis is conducted. Key findings are determined from feedback, and an action plan is developed for implementing the recommendations

This Action Taken Report offers a comprehensive summary of the initiatives undertaken by the Internal Quality Assurance Cell (IQAC) in response to valuable input received from diverse stakeholders. It delineates the measures implemented to address issues, integrate suggestions, and elevate the overall educational quality and institutional procedures.

Feedback Source

1. Students: Feedback collected from present students concerning their academic and extracurricular experiences.
2. Faculty/Academician: Insights obtained from teaching Faculty/Academician regarding curriculum, instructional approaches, and institutional assistance.
3. Alumni: Input provided by former students who have completed their studies at the institution.
4. Parents: Opinions from parents of current students on various aspects of their children's education.
5. Employers: Feedback obtained from employers who have recruited graduates from the institution

Action Taken Report: Stakeholders' Feedback

Computer Science and Engineering		
Stakeholder	Observations/Findings	Actions Taken
Student's Feedback	Students recommended initiating the aptitude training course from the second year onwards to allow for comprehensive preparation and skill development.	Aptitude Preparatory Sessions conducted for 2nd year and 3 rd year Students
	Some students recommended incorporating courses on recent software techniques, facilitated by industry professionals, to ensure alignment with current industry standards and practices.	A Course on FULL STACK DEVELOPMENT conducted by Mr Ketan Pachpande, Product Architect, Gigasoft Technologies Course on Blockchain Technology by Mr.Yogesh Murumkar CEO, Bharat Soft Technologies
Alumni Feedback	The majority of alumni expressed that the curriculum contributed significantly to their overall personality development. Alumni emphasized that Data Science and Machine Learning are the upcoming technologies in engineering. They suggested that students should receive training on these topics to prepare them for the evolving demands of the industry.	Data Science and Machine Learning workshop was conducted by Mr.Tushar B. Kute Data Scientist and Researcher at MITU Technologies, Pune
		Skill Development Program on Java Spring was organized by Mr.Tejas Rathi, Sr. Software Engineer, Principal Financial group, Pune
Employer's Feedback	Employers emphasized the importance of organizing additional technical workshops for students to further explore their skills, with specific recommendations for topics such as cloud computing which offers access to a wide range of educational resources, tools, and applications that can enhance the learning experience.	Skill Development Program on Cloud Computing using AWS was organized, the resource person of the program was Mr.Sudhansu Sawaria Amazon
Academician Feedback	Academicians suggested promoting active learning methodologies, like skill development programs , workshops etc	Skill Development Program on Introduction to Data Engineering was organized , the resource person for the program was Mr.Sanket Thodge, PiRSquare, Pune

Parents' Feedback	Parents expressed overall satisfaction with their students' progress at SSGMCE. Additionally, some parents suggested initiating foreign language courses for their wards to broaden their skill set and enhance their global competitiveness.	Japanese Language Course by conducted ,Mr. Nilkanth Wankhade, Foreign Language Trainer, Surani Academy, Akola
Faculty Feedback	Faculty suggested enhancing extracurricular activities to not only foster personal growth but also instill values and social responsibilities among students.	Voter Day Awareness programme was organized to instil a sense of civic responsibility among students
		Tree Plantation drive was conducted by NSS students

Action Taken Report: Stakeholders' Feedback

Electrical Engineering		
Stakeholder	Observations/Findings	Actions Taken
Student's Feedback	Students recommended initiating the aptitude training course from the second year onwards to allow for comprehensive preparation and skill development.	Aptitude Preparatory Sessions conducted for 2nd year and 3 rd year Students
		Certificate Courses on "Introduction to MATLAB Simulink & Programming
Alumni Feedback	The majority of alumni emphasized the significant role of the curriculum in shaping their overall personality development. Additionally, some alumni suggested organizing expert talks conducted by professional experts to enlighten students about recent trends in various fields.	Webinar on "Industrial Electrical Designing & Training" delivered by Mr.Amit Ingle (Technical Director, EDCS Technicals Pvt. Ltd., Thane (M.S).
Employer's Feedback	Employers expressed satisfaction with the performance of students in their organization. Furthermore, to ensure continuous development and readiness for evolving industry demands, they strongly recommended implementing courses on robotics and industrial automation.	Webinar on "Embedded System and Robotics" delivered by Mr. T Krishna Chaithanya, Embedded System Engineer, EdGate Technologies Pvt. Ltd
Academician Feedback	Academicians suggested promoting active learning methodologies, such as case studies, group discussions, and project-based learning, to engage students and foster a deeper understanding of concepts.	Expert Talk on "How to Prepare for UPSC/ MPSC Civil Services by Mr. Ajit Chahal, The Unique Academy, Pune on 09/04/2022
Faculty Feedback	While most of the faculty expressed satisfaction with the students' performance according to the curriculum, some recommended incorporating encouragement for students to undergo industrial internships or training to gain practical experience and enhance their skills.	Students were motivated to complete internships in companies like Adani Dahanu Power Station Technical Training Station, Elite Techno Groups, etc. The institute provided full support to achieve this target.

DEPARTMENT OF Electronics and Telecommunication Engineering

ACTION TAKEN REPORT (ATR) for the feedback Year 2021-22

SN	Stakeholder	Observation / Feedback	Action Taken
1	Academician	Hardware design courses should be included.	Two-day Hands-On workshop on "PCB design using easy EDA tool" was organized on 30 th September and 1 st October 2023
2	Academician	EDA tool usage should be introduced to students.	
3	Academician	Special slots for skill development courses must be included in the curriculum	Slot included in regular timetable for skill development practices on regular basis.
4	Academician	More focus should be given on activity based learning	
5	Academician	Workshops based on IOT and Embedded system should be conducted.	Two day workshop "Hello to Embedded system" was organized on 7 th and 8 th April 2023 in DSP Lab of EXTC department.
6	Academician	Fabrication lab. Should be setup at the institute.	Lab setup at SGAIRC in institute
7	Academician	Workshop based on antenna design should be conducted for students.	Faculty Members participated in the Syllabus Restructuring initiatives of SGBAU Amravati and added Antenna

			and Propagation subject in the course as a Professional Elective Subject.
8	Academician	Course based on antenna design should be added	
9	Academician	RF based hands on course/workshop should be included.	
10	Academician	Electronic lab. Based on instrumentation should be added	Faculty Members participated in the Syllabus Restructuring initiatives of SGBAU Amravati and added the same in fifth semester.
11	Academician	Sensors and transducers subject should be added.	Faculty Members participated in the Syllabus Restructuring initiatives of SGBAU Amravati and added the same in fourth semester.
12	Academician	Java, Python Languages should be added.	Online platforms provide to students to learn different coding lanuages.
13	Academician	Coding contests for students should be conducted twice a year.	"Technovation: 2023 " , a technical project competition involving five districts Akola, Amaravati, Buldhana, Washim, Yavatmal was organized 8 th April 2023. Also, every year PURSUIT a technical event is hosted by college wherein students can participate in different coding contests.
14	Academician	Course based on RF-MEMS should be included.	Faculty Members participated in the Syllabus Restructuring initiatives of SGBAU Amravati and added MEMS subject in the course as a Professional Elective Subject.

ACTION TAKEN REPORT (ATR) for the Year 2021-22

Sr. No.	Stakeholder	Observation / Feedback	Action Taken
01	Employer/ Industry	Need of Soft skills training to the students along with aptitude training.	Soft skill classes are running for all engineering students by an external agency. These classes cover a wide range of soft skills, including communication, teamwork, and leadership, to better prepare students for the industry.
		Communication Skills should be prioritized	To address this concern, dedicated sessions on communication skills have been integrated into the academic curriculum. This will help students develop effective written and verbal communication skills, a crucial aspect for their future careers.
		Focus on AWS, Azure Cloud Computing, AI/ML, Cloud Native Databases	In response to the industry's demand for relevant technical skills, we have advised our students to actively participate in online courses and platforms like NPTEL, MOOC Courses, Infosys springboard, and the Microsoft-Azure Community. Additionally, the institution is exploring collaboration opportunities with external resources, including Coursera, to provide specialized training and certification in these areas.
		The university syllabus needs a complete relook and overhaul	Our academic departments have undertaken a comprehensive review of the university syllabus to align it with current industry requirements. The proposed syllabus incorporates the latest advancements in the field, ensuring that our students receive a contemporary and relevant education.
		Need to improve job skills	As per the New Education Policy 2020, skill-based education and job-oriented skills has been introduced
