Title of Activity	Zero Waste Management and Cleanliness (NSS Camp)
Organizer	NSS Unit SSGMCE Shegaon
Schedule of Activity	09/03/2022
Objective of Activity	Encourage and educate the residents of Kherda Village about sustainable living practices, with a focus on waste reduction, proper waste disposal, and environmental conservation. Empower the villagers by imparting knowledge and skills related to waste segregation, composting, and recycling.
Overview of Program	In a commendable effort to contribute to community welfare, the NSS unit of Shri Sant Gajanan Maharaj College of Engineering (SSGMCE) initiated a Zero Waste Management and Cleanliness Drive in the adopted village of Kherda. The objective of this initiative was to promote sustainable living practices, enhance cleanliness, and instill a sense of environmental responsibility among the villagers. The NSS students actively engaged with the community, conducting awareness sessions on the importance of waste management and the adverse effects of improper disposal. They organized workshops to educate villagers about segregating waste at the source, emphasizing the principles of reduce, reuse, and recycle. To kickstart the cleanliness campaign, the NSS unit organized cleanliness drives within the village, involving both students and villagers. The focus was not only on waste collection but also on creating a sense of ownership and pride in maintaining a clean and hygienic environment. In addition to the cleanliness drives, the students implemented sustainable waste management practices such as composting and recycling. They set up compost pits for organic waste and collaborated with local authorities for the proper disposal of non-biodegradable waste, thereby contributing to a reduction in environmental pollution. The initiative also included tree plantation drives to enhance green cover and promote ecological balance. The NSS students worked collaboratively with the villagers, fostering a sense of community ownership for the sustainable development of Kherda.
Venue	Shegaon
No. of Participants	100 Students
Outcomes of the activity	The event facilitated meaningful engagement with the local community, allowing students to collaborate with villagers, local authorities, and other stakeholders, fostering a sense of teamwork and community involvement. Students gained a deeper understanding of environmental issues, especially related to waste management, pollution, and the importance of sustainable practices.

Title of Activity	Computer literacy at school (NSS Camp)
Organizer	NSS Unit SSGMCE Shegaon
Schedule of Activity	09/03/2022
Objective of Activity	Introduce computer literacy programs to ensure that students in Kherda village have access to digital resources and opportunities. Provide hands-on training to students
Overview of Program	In a concerted effort to foster computer literacy, the NSS students of SSGMCE initiated a transformative program at the Kherda village school. The primary objective was to bridge the digital divide by introducing computer literacy programs, ensuring that students in rural areas have access to essential technological skills. The program aimed to empower students through hands-on training in basic computer operations, software usage, and internet navigation. This initiative not only sought to enhance the educational experience by integrating technology into the learning process but also aimed to make educational content more accessible and interactive for students. Beyond the direct impact on students, the program also included training sessions for teachers, empowering them to proficiently incorporate technology as a teaching aid. Through this holistic approach, the NSS students of SSGMCE aspired to create a sustainable model for digital inclusion in rural education, addressing the disparities that often exist in accessing technology in rural communities. The outcomes of this initiative were expected to extend beyond the immediate enhancement of computer literacy, contributing to the overall development and empowerment of the Kherda village school community.
Venue	Kherda
No. of Participants	100 Students
Outcomes of the activity	By providing hands-on training, the initiative empowered students with knowledge, enabling them to leverage technology for educational and personal development. The program's broader impact extended to the community, fostering a culture of digital awareness and laying the foundation for future initiatives to enhance the overall development of the Kherda village school.

Title of Activity	Farming -Specific Guidance (NSS Camp)
Organizer	NSS Unit SSGMCE Shegaon
Schedule of Activity	10/03/2022
Objective of Activity	To provide villagers with valuable insights and knowledge about modern farming techniques, crop management, and sustainable agricultural practices. To empower the farming community in Kherda by bridging the gap between traditional and modern farming methods, thereby improving overall agricultural productivity.
Overview of Program	The NSS students of Shri Sant Gajanan Maharaj College of Engineering (SSGMCE) demonstrated their commitment to community development by organizing a "Farming-Specific Guidance" session for the villagers of Kherda. Dr. Bothe, a knowledgeable expert in agriculture, led the session, providing valuable insights and practical advice tailored to the specific needs of the farming community. The session aimed to enhance the villagers' understanding of modern farming techniques, crop management, and sustainable agricultural practices. Through interactive discussions and hands-on guidance, Dr. Bothe empowered the villagers with the knowledge and skills necessary to optimize their agricultural endeavors. This initiative by the NSS students underscored their dedication to supporting rural communities and promoting sustainable farming practices for the betterment of the villagers in Kherda.

Title of Activity	Rain Water Harvesting (Water Conservation) (NSS Camp)
Organizer	NSS Unit SSGMCE Shegaon
Schedule of Activity	14/03/2022
Objective of Activity	<p>To Encourage the adoption of sustainable water management practices to reduce dependence on external water sources.</p> <p>To Raise awareness about the importance of water conservation and the role of rainwater harvesting in mitigating water scarcity.</p>
Overview of Program	<p>In a commendable endeavor to address water scarcity and promote sustainable practices, NSS students of SSGMCE initiated a Rainwater Harvesting (Water Conservation) program at the adopted village of Kherda. The students actively participated in the installation of rainwater harvesting structures, strategically placing them to capture and store rainwater for future use. The community engagement initiatives involved collaboration with local residents, encouraging their active involvement in the sustainable management of water resources. Students actively participated in digging pits for rainwater harvesting as part of the water conservation program at the adopted village of Kherda. The hands-on involvement in excavating these pits was a crucial aspect of the initiative. The digging of pits aimed to create storage reservoirs for rainwater, allowing the community to capture and store precipitation for later use</p>
Venue	Kherda
No. of Participants	100 Students
Outcomes of the activity	<p>Acquiring practical, hands-on experience in planning, implementing, and monitoring rainwater harvesting systems, enhancing students' understanding of water conservation.</p> <p>Fostering a sense of environmental stewardship as students witness the positive impact of their efforts on the local ecosystem and understand the broader</p> <p>Developing cultural sensitivity and social responsibility by actively participating in a community-driven project and understanding the socio-economic and cultural context of the adopted village.</p>

Title of Activity	YOGA Session for women (NSS Camp)
Organizer	NSS Unit SSGMCE Shegaon
Schedule of Activity	11/03/2022
Objective of Activity	To encourage and facilitate physical well-being among the women in the rural community through the practice of yoga asanas and exercises. To provide participants with tools and techniques for stress relief, relaxation, and mental rejuvenation through guided meditation and pranayama..
Overview of Program	The "Yoga Session for Women" organized by NSS unit students of SSGMCE for women at Kherda village, conducted by Mrs. Gachake, was a rejuvenating and empowering experience for the participants. The event commenced with a warm welcome, setting a positive and inclusive atmosphere. Mrs. Gachake, a seasoned yoga instructor, guided the participants through a series of yoga asanas, pranayama, and meditation techniques. The session aimed to enhance flexibility, balance, and strength while also providing stress relief and relaxation. The event contributed to raising awareness about the importance of regular physical activity and mindfulness practices. Participants were encouraged to incorporate these learnings into their daily lives, promoting a healthier lifestyle.
Venue	Kherda
No. of Participants	100 Students
Outcomes of the activity	The event facilitated greater interaction and understanding between NSS students and the women of Kherda village, fostering a sense of community and collaboration. NSS students made a positive contribution to the well-being of the community by promoting physical and mental health through the practice of yoga. NSS students gained a heightened sense of responsibility toward community welfare and realized the importance of contributing to the betterment of society.

Subject: Request to depute 11th and 12th standard students for the free one day training on Electronics Equipments and their Applications

Dear Madam

In the context of skill development which is the requirement of time, we are happy to inform you that, we have scheduled a program, at our institute in the session 2021-22. The programme is designed for the need of the student's community, to impart them the technical knowledge. The students registered under this activity will receive the certificate after the successful completion of said course. The full time attendance is compulsory for the course to receive the certificate.

We expect that, you will give wide circulation and publicity to this appeal so that every section of your college/school will undertake and depute interested students to the courses of their interest.

Please note that as a part of social commitment of the institute and in the interest of student community "No Fees" will be charged.

Course: Electronics Equipments and their Applications.

Date (Tentative): 25 November, 2021

Duration: 11 am to 5.30 pm

Venue: EXTC Department, SSGMCE, Shegaon

Thanking you and expecting your cooperation in this regard.
