Dear Sir,

**Manav School of Engg & Tech, Vyala, Tal: Balapur, Dist: Akola** is one of the most reputed Engineering Institutions and known for its excellent record in academics and co-curricular activities. The College provides an excellent climate for the all-round development of the students.

As a part of the curriculum, the students are required to understand practical of **SWITCHGEAR & PROTECTION Semester Seventh**. We feel it will be fruitful that the students with academic background have a glimpse of the industry in order to have a better appreciation of practical applications of theory.

In the above background, we would like to send a batch of about **33 students** of **Electrical Engg. Department** branch of **Final** year accompanied by **02 staff** members to visit your esteemed institute preferably in **October 2019** as telephonic discussion with Prof.R.K.Mankar.

I request you to kindly accord the necessary permission for the above visit and arrange for guiding the students.

We assure you that our students will observe the rules and regulations that are prescribed by your institute for the visitors and will in no way disturb the functioning of the institute during their visit. List of students and practical attached with this letter.

We shall be grateful for a favorable response.

Thanking You,
