Alumni Silver Jubilee  
Celebration at Shegaon Jan 2023

Past to remember, present to  
celebrate and future to create.

The air turned nostalgic when  
we SSMCEites revived our college  
days.

Can you imagine yourself reminiscing about your college life after 25 years? The whirlwind of emotions on meeting your friends who have settled in different parts of the world is challenging to express in words. The air was electric and filled with the joyous faces of the batch of '93 from 13th to 15th January 2023. Atmosphere electrified when alumni started posting pictures of their travel as Chalo Shegaon moment, which was like a goosebump moment.

Thanks to the college for organising a fantastic event where they have provided free transport, food, and an incredible event, affection, and love

Also, thanks for giving me Dias during the welcome ceremony and an opportunity to speak for collaboration along with eminent alumni personalities.

I genuinely appreciate and regard the effort of alumni coordinator Devesh sir and his team, college management team Shrikant Dada Bhau, Principle Somani Sir, All the faculty staff, and first to final year students' hard work. You can't compare such lovingly welcoming and providing all the facilities. Kudos and salute

Three cheers to my college SSGMCE

Finally a poetry from me about the time we have together

क्या बयां करू उस अद्भुत अलौकिक बेला का  
था लगा मंजर दोस्तों के मिलन से, सजे मेला का  
फ्रेंडशिप फीवर था हाई एयर में  
लौट आया बिछड़ा पल छण में  
यादों की बारात से सजी थी बातें  
पूछे बिन मेरे दोस्त कैसे थे पल काटे  
लौटे आये थे हॉस्टल वाले वो डेज़  
फ्रेंड्स को देख के लौट आयी थी रेज़  
जानते थे सभी यह समय काफ़ी कम  
सोने का पता नहीं रहे थे मिलजुल झूम  
फिर वो बेला आयी सब निकालने लगे अपने धाम  
दोस्तों मस्त रहो बना लो मिलन को नियमित काम

Mr. Avijit

My college arranged alumni meet.

- Accommodation was free.
- Transportation right from railway station to campus to temple free free free and round the clock.
- Breakfast free lunch free tea free dinners free.
- Only places we spent money in four days – horse cart ride, paan & kachori!
- Personally they gave me the stage thrice.... For a standup comedy, for a corporate counselling session, for a financial literacy session!

I couldn't have asked for more.  
Thank you.

(The above doesn't factor love, respect and fun with students, batchmates, friends, professors)

Mr. Kapish

It still gives the same feeling of 2004 when I first went to this place. My very own engineering college and Shri Gajanan Maharaj Darshan!

# Feedback **by Alumni**

Mr. Nikhil  
Dhole

Attending my engineering college's (SSGMCE, Shegaon) alumni meet recently was a most inspiring experience.

Immediately after stepping inside the main gate, all the memories came rushing back, including playing Counter strike till late night in room filled with 8-10 laptops, fights (struggle) to find perfect seat during summer in library at the time of exam season, rushing for exams with just one pen (that too was borrowed most of the times), all the festivals and countless more.

Although the alumni meet focused on 25th Batch of graduation (1994-97). But alumni from almost every batch and all over the Earth (mainly from USA and Europe) were there. I met one alumnus, Vijay Gayee sir from 2nd Batch (1984-87) of college (who had come from USA). Despite being at top level in his profession, he was so much polite and cheerful while interacting with everyone.

All the alumni had achieved phenomenal success since their time at the college, and yet the humility they had was awe inspiring. It was humbling to see such accomplished people showing no signs of arrogance and freely offering whatever help they could to current students and other alumni. Else generally, once a person reaches to top, they sometimes treat others as subordinate.

The alumni meet was a great reminder that education is not only about gaining knowledge and skills, but also about cultivating values of respect, leadership, and perseverance. What the alumni had to share was that true success in life can be achieved when those values are held high, and work is done diligently with integrity. It was truly eye-opening to witness and listen to the amazing stories of the alumni and being part of the alumni network.

The alumni shared stories of their struggles during their career journey- they faced a lot of obstacles while in college (many had backlogs) and after they graduated (lost job due to one or other reason, faced financial crises) but they managed to stay dedicated to their goals despite the difficulties.

And now when they came back to college after 25 years, I could see pride of achievement. And now they were ready to give something back to the society, to the college by any possible means.

I hope someday I would achieve, if not the same, then at least some level close to them of what they have achieved. Lesson learnt- No matter how much you grow, always keep your feet grounded, stay humble!

What are your memories of college??!!
