One-Page Report of Workshop

Title: Record-Keeping for Supporting Staff

Date: 26-30 July 2021

Venue: Language Lab, ASH Department

Number of Beneficiaries : 43

Introduction:

The five-day workshop on Record Keeping for supporting staff, organized by the Department of Information Technology, aimed to enhance the efficiency and skills of staff in managing and maintaining records.

Workshop Objectives:

- Provide insights into efficient record-keeping methodologies.
- Introduce digital tools for effective record management.
- Establish best practices for maintaining records.

Workshop Overview:

The workshop commenced with an introduction to record-keeping principles and progressed to practical sessions on digital record management. Participants engaged in interactive sessions, gaining hands-on experience with tools and discussing best practices.

Outcomes:

- Increased awareness of systematic record management.
- Improved understanding of digital tools for efficient record-keeping.
- Enhanced skills in maintaining data security and privacy.

Conclusion:

The workshop succeeded in equipping supporting staff with essential record-keeping skills, emphasizing the significance of organized and secure documentation.
