## Overview of the Program:

E-Cell, SSGMCE focuses on bringing entrepreneurial approach among the student of our college and make them explore this field with new innovative start-up ideas and help them to solve problems in this journey. For this E-Cell, SSGMCE has conducted "BUSINESS TACTICS IN RURAL AREA" session with the help of resource person Mr. Hiram Lohar, comes with expertise in developing customized training for corporates & educational Institutes. He is one of the first developers of customized Digital Transformation training for corporations in India. He helps student in Business innovation, start-up ideas in rural area. BUSINESS TACTICS IN RURAL AREA with making students release their latent potential and to develop their capabilities to meet the challenges ahead in rural area. Counseled & motivated students to independent, innovative, and challenging career options. He tells us about Rural marketing is a process of developing, pricing, promoting, and distributing rural specific goods and services leading to the desired exchange with rural customers to satisfy their needs and wants, and to achieve organizational objectives. He tells us about 4A's model that if we implemented then our own rural runs business could skyrocket. The 4A's are Affordability, Availability, Awareness, and Acceptability.

<b>Title of Activity</b>	Webinar on “ <b>Boundary Layer Theory</b> ”
<b>Organizer</b>	IEI MECH SSGMCE Shegaon chapter
<b>Schedule of Activity</b>	4 <sup>th</sup> Jan 2023
<b>Objective of Activity</b>	To Introduce the concept of formation of boundary layer on plate and its importance among the second year students of mechanical engineering.
<b>Overview of Program</b>	<p>Dr. Sagar Agnihotri distinguished professor from Upasla University, Sweden shared his expertise in boundary layer theory, discussing its applications and relevance in various engineering disciplines. He explained the fundamental concepts, such as laminar and turbulent boundary layers, boundary layer separation, and drag reduction techniques. The webinar provided participants with a comprehensive understanding of this complex subject.</p> <p>Through engaging visuals and interactive discussions, Dr. Agnihotri facilitated a rich learning experience for the attendees. The students had the opportunity to ask questions and engage in meaningful discussions, further enhancing their understanding of the topic. The webinar played a crucial role in expanding the students' knowledge and inspiring further exploration in the field of boundary layer theory.</p>
<b>Venue</b>	Shegaon
<b>No. of Participants</b>	38
<b>Outcomes of the activity</b>	Define the boundary layer in different forms. Solve the numerical on boundary layer theory.

# Flyer

The flyer features a dark blue background with a large portrait of Albert Einstein on the left. In the top left corner is the logo of Shri Sant Gajanan Maharaj College of Engineering, Shegaon, Maharashtra, India. In the top right corner is the logo of the IET Mechanical Engineering Student Chapter. The title 'JOURNEY THROUGH EINSTEIN'S BRAIN' is written in white, bold, uppercase letters across the top. Below the title, on the right, is a circular portrait of Dr. Mukund Moharir. A white callout box on the right contains the text 'TALK WITH DR. MUKUND MOHARIR Retd. Aerospace Scientist/Engineer, NASA.' On the left, a white callout box says 'JOIN US AT'. Below this, three icons (location pin, clock, and calendar) are followed by the text 'New Auditorium', '3:45 PM', and 'SEPT 15, 2022'. A decorative pattern of white dots is visible on the right side of the flyer.
