Founder & CEO,
Paramount Enterprises, Nashik

Dear Sir,

Shri Sant Gajanan Maharaj College of Engineering is one of the most reputed Engineering institutes in Maharashtra, India. We are renowned for the excellent academics, research and value education in Engineering.

We consistently arrange the programs for students and faculties for their skill and qualification upgradation. This time we are arranging a webinar on the topic **"India's Start-up Ecosystem"** on the occasion of **National Startup Day (16th January 2023)**.

It gives us pleasure to invite you as a Guest Speaker to address our students and faculties in this webinar. This webinar will create awareness among the students and faculties about the Startup Ecosystem and encourage them for startups.Your thoughts would enable our students and faculties to gain knowledge from your expertise and experience.

The webinar will be conducted using the **Microsoft Teams** platform; the session will begin at **11:00 am**. It has been a practice to arrange such expert talks in the institute for **90 minutes**.

Kindly communicate your acceptance. This will enable us to prepare for a successful webinar.

Anticipating a favorable reply from your end.

Thanking You

Yours Sincerely,

Dr. S. B. Somani

Overview of the program:

Shri sant Gajanan Maharaj College of Engineering,Shegaon,in association with Institution Innovation Council has organized a Motivational Session on "My Story-Motivational session by Successful Innovators" coordinated by Dr. R. A. Zamare,Computer Science nd Engineering Department,SSGMCE,Shegaon.The event was enlightened by one of the esteemed speaker Mr.Sunil Raithatha MD,Vinod Rai Engg,Pvt Ltd,Jalna. The event was held on 16th November 2022 at 11.00 AM with a warm welcome by Dr.S. B. Patil (President IIC), Prof. P. A. Dalke (Converner IIC) and Dr.S.B Somani Principal SSGMCE Shegaon.The session was high inspiration to all the students and speaker has insisted students to increase vision behind political borders as economy has no border. Innovator should concentrate on whole world as a market place. He has given beautiful linkage of failures and success of his own industries where he started everthing from scratch. Mindset of businessman or enterprenuer or innovator plays an important role in the whole journey. he emphasized on the happy customers for a success.

Lastly,Mr. Sunil Raithatha interacted with the students. Students asked many question to the sir about innovation and sir answered each one properly from the students. The responses were very positive, promising, hopeful and motivating to conduct such kind of events. The objectives of the events are fulfilled through such an informative event through its impactful contents. This session has benefited the student's community by providing them the right guidance about new innovation, funding opportunity for early stage entrepreneurs.

A lecture on Achieving Problem – Solution Fit and Product – Market Fit" by Dr Kuchar

Brief Summary of the Session

Shri Sant Gajanan Maharaj College of Engineering, Shegaon, Institution's Innovation Council has organized a IIC 5.0 Calendar activity of Session on "Achieving Problem – Solution Fit and Product – Market Fit" with the theme of - Validation and Concept Development coordinated by Dr. P. M. Kuchar.

Resource persons for the Session were Dr. P. M. Kuchar and Dr. M. A. Dande from Department of Business Administration and Research, SSGMCE, Shegaon who conducted sessions on Product Market fit and Problem Solution fit respectively. The offline event was conducted in the Seminar Hall of the MBA department on 24th February 2023 from 2:15 pm onwards with a warm welcome address by Prof. W. Z. Suliya.

Dr. M. A. Dande focused on the identification of problems by various methods like Survey, Observation, and Engagement with the users. He also stipulated the various ways of coming up with solutions for the identified problems with numerous examples. Students were asked to answer the questions of Problem Solution Fit Canvas for a better understanding of the approach. Dr. P. M. Kuchar took over the session by mentioning the Lack of Product-Market fit as a major reason for the failure of StartUps. He illustrated the meaning, importance, and ways of achieving Product – Market fit with examples like Redmi, Maggi, Netflix, Uber etc. The session's objective was to inspire students and help them to understand the innovation and expansion of emerging enterprises through validation and concept development.

At the end of the session, both resource persons interacted with the students and encouraged them to ask questions and doubts. One of the questions asked was whether to Innovate an altogether new product or to alter the available solutions. It was answered with the Analogy of whether the product is a Painkiller or Vitamin or Vaccine which needs a varied level of expertise, approach, and strategies. The responses recorded were very positive, promising, and motivating to conduct such kind of events. The objectives of the events are fulfilled through such an informative event through its impactful content. This webinar has benefited the student community by providing them with the right guidance about Achieving Problem-Solution and Product-Market Fit. Miss Sneha Gaikwad delivered the vote of thanks in the last phase and the program ended here.

Overview of the Program:

E-Cell, SSGMCE focuses on bringing entrepreneurial approach among the student of our college and make them explore this field with new innovative startup ideas and help them to solve problems in this journey. For this E-Cell, SSGMCE has conducted "THE TELL TALE ENTERPRENEUR" session with the help of resource person DR.P.M. Kuchar and MR Vasu Nistala, to help students in problem solving, seed financing and business model validation, with various marketing strategies and pitching skills.

The Tell-Tale Entrepreneurs with making students release their latent potential and develop their capabilities to meet the challenges ahead. Counseled and motivated students to independent, innovative and challenging career options. Taught problems solving skills for targeted customers. Fostered entrepreneurial traits including creativity, concern for excellence and leadership skills. Refining and perfecting investor pitch to work with experienced investors. Also learned to launch a new product before validating it because it is essential for any venture. Learned importance of seed financing for the early expansive market research, product development, and other initial stage operations.

The session ended with a Q&A session followed by with a votes of thanks, giving the participants opportunity to clarify their doubts about entrepreneurship. It was an interactive session with valuable takeaways for all. The session of focus on motivating students forward entrepreneur through the successful entrepreneur.

Everyone was notified about the review meeting scheduled for September 15, 2022. On September 16, 2022, a thorough review meeting took place to ensure the preparedness of all programs. In the evening of the same day, Chief Coach Prof. Dr. Mr. Kedar Thosar inspected and reviewed the program's preparation.

At seven o'clock, Hon'ble Chancellor Prof. Dr. Dilip Mashalkar and Dr. Kedar Thosar conducted a virtual meeting with the principals of the 70 centers. During this meeting, the Honorable Vice-Chancellor offered some important suggestions.

A one-day training camp on the Choice-Based Credit System (CBCS) and the New Education Policy (NEP) 2020 was organized by Sant Gadge Baba Amravati University, Amravati. The aim was to facilitate the orderly implementation of the New Education Policy 2020. The training camp took place from 9:30 AM to 6:00 PM at Shri Sant Gajanan Maharaj College of Engineering, Shegaon, on Saturday, September 17, 2022.

Participating in this training camp were several institutions, including Dnyaneshwar Muskoji Burungale College of Arts and Sciences, Shegaon; Siddhi Vinayak Technical Campus, Khamgaon; Mauli College of Engineering of Mauli Group of Institutes, Shegaon; Uttamrao Deshmukh B Ed College, Shegaon; C. G. B. Murarka College of Arts and Commerce, Shegaon; Saraswati College, Shegaon; and College of Arts and Commerce, Varwat Bakal. The total number of participants was 234, comprising college teachers and clock-hour teachers.

The program began with registration and refreshments from 9:00 AM to 10:00 AM, providing an opportunity for the exchange of ideas. The initial session included an overview of the program, and a film about Shri Sant Gajanan Maharaj College of Engineering, Shegaon, was presented. Notable figures present at the program included Hon. Mr. Sharadji Shinde, Secretary of Gajanan Education Institute; Chief Coach of the camp, Dr. Kedar Thosar; Principal, Model College, Buldhana, Dr. S B Somani; Principal, Sri Sant Gajanan Maharaj College of Engineering, Shegaon, Dr. Santosh Bothe; Principal, Saraswati College, Shegaon, Dr. CM Jadhav; Principal, Mauli College of Mauli Group of Institutes, Shegaon, Dr. Damre; Principal, Lae Uttamrao Deshmukh B Ed College, Shegaon, Dr. A N Rathod; Principal, G. B Murarka College of Arts and Commerce, Shegaon, Dr. Kulkarni; Siddhi Vinayak Technical Campus, Khamgaon, Dr. Khadsan; Principal, Dnyaneshwar Muskoji Burungale Arts and Science College, Shegaon, Dr. Rajendra Korde; and Principal, College of Arts and Commerce, Varvat Bakal.

Inauguration of Training Program

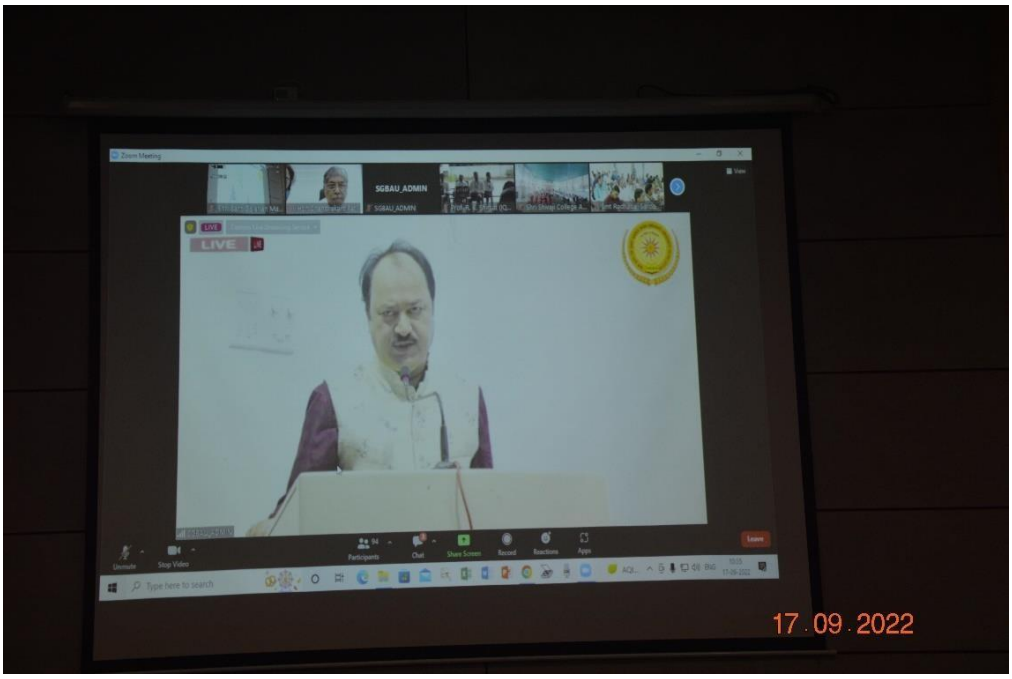
Professor Mrs. Harshali Patil extended invitations to all dignitaries for the lamp lighting and aarti ceremony. Following this, the college principal, Dr. SB Somani, welcomed the dignitaries by presenting bouquets. In his address, Dr. Somani provided guidance on educational quality, the contemporary significance of the New Education Policy (NEP), industry 4.0, ethical values, and encouraged everyone to make the most of the camp.

.

Dr. Kedar Thosar emphasized the historic significance of the training day, highlighting that around 11,000 professors from approximately 70 different centers were simultaneously benefiting from this training. He invited the professors to actively participate and wholeheartedly contribute to the implementation of the New Education Policy (NEP).

Following this, the university's inauguration ceremony was telecasted through a virtual system. The event commenced with the presentation of the Sant Gadge Baba Amravati University song. Dr. Vijay Kumar Choubey delivered a welcome speech and an introductory presentation on behalf of the Chancellor. He stressed the importance of adapting to the changing times and the need for everyone's active participation in embracing these changes.

After this the vice chancellor of Sant Gadge Baba Amravati University Hon. Dr. Dilip Malkhede in his speech, discussed the vision of NEP, the need to change the curriculum and the participation of regular and part-time teachers. It elaborated the options for choosing subjects independently of learning any subject by combining two or more subjects, self-reliance and thereby making a self-reliant India.

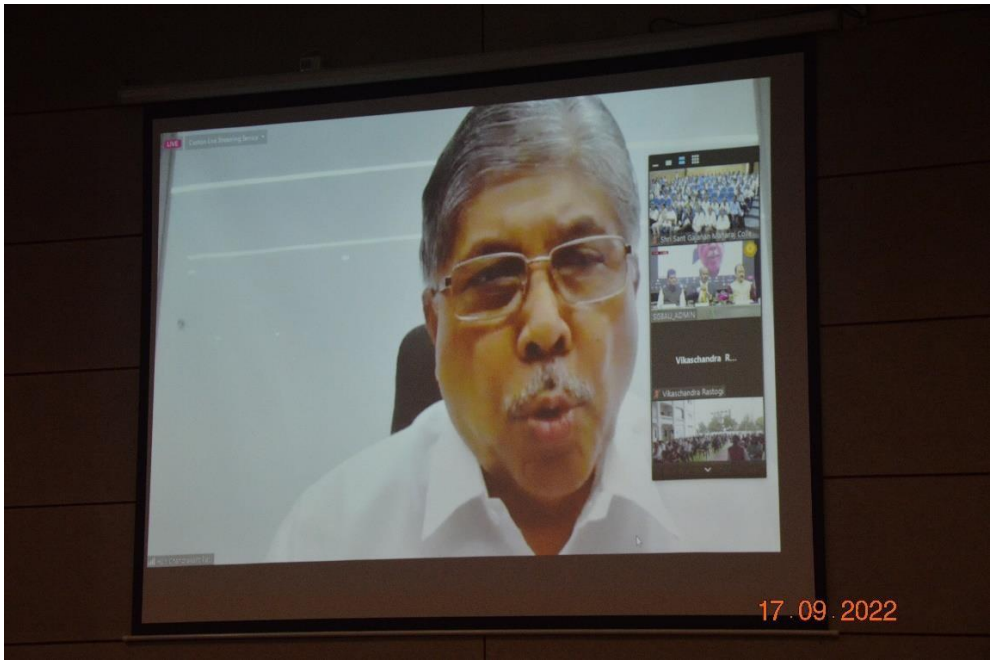


Dr. Dilip Malkhede, VC of SGBAU addressing the gathering

Dr. Vikas Chandra Rastogi, Honorable Principal Secretary of the Higher and Technical Education Department of Maharashtra State, remarked that the Choice-Based Credit System (CBCS) process is global, with many developed and developing countries having adopted it. He emphasized that students are inclined towards the Academic Bank of Credit (ABC) and encouraged focusing on solving daily life problems, initiating business ventures, and progressing step by step.

Dr. Anil Sahastrabudhe, Honorable President of the All-India Council of Technical Education in New Delhi, congratulated Dr. Dilip Malkhede, Vice-Chancellor of Sant Gadge Baba Amravati University, for this pioneering training project. He highlighted that this is the first-ever unique experiment of training nearly 11,000 professors on a single day.

Shri Chandrakant Dada Patil, Honorable Education Minister of Maharashtra State, expressed that the one-day training serves as guidance for both viewers and aspirants. He emphasized that bridging the gap between education and business and establishing a foundation for business-oriented education would lead to genuine personality development. He also shared the belief that teaching through the mother tongue in this new education system will provide a sweeter start. The video message from Honorable Prime Minister Shri Narendra Modi was not available as he is currently abroad.



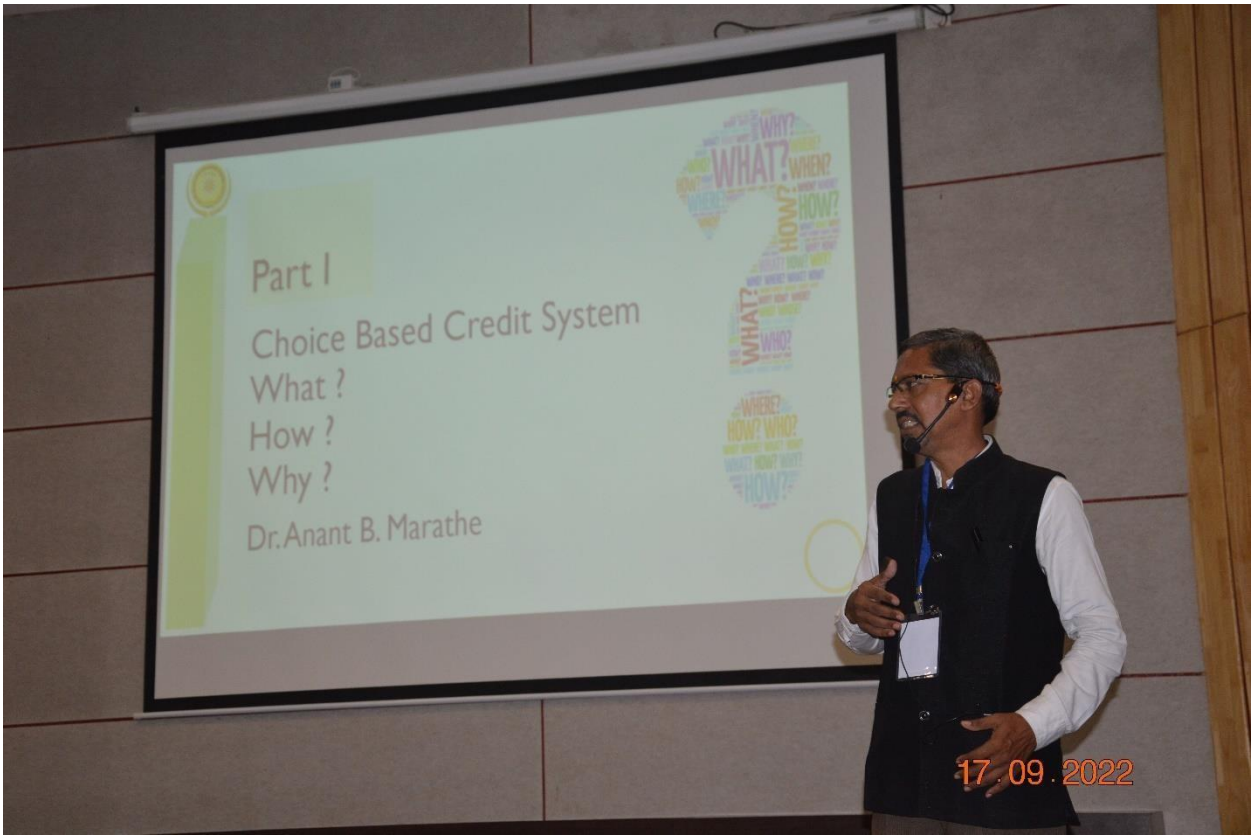
Shri Chandrakant Dada Patil, Honorable Education Minister of Maharashtra State,addressing the teachers

Mr. Tushar Deshmukh, Registrar, delivered the vote of thanks for the program, announcing the conclusion of the main inaugural session. He acknowledged that the success of the event was the result of hard work put in from March to August.

The training program was organized into four sessions, each providing detailed information on the Choice-Based Credit System (CBCS) and the New Education Policy (NEP). Chief Guide Dr. Kedar Thosar emphasized various aspects during these sessions.

Dr. Kedar Thosar expressed that through the fine combination of essential skills of the 21st century, foundational knowledge branches, options based on interest, social responsibility, moral values, and spiritual enrichment, students will be formed in the truest sense. He asserted that "Earn and Learn" can impart self-reliance, financial independence, and, most importantly, the art of living a meaningful life.

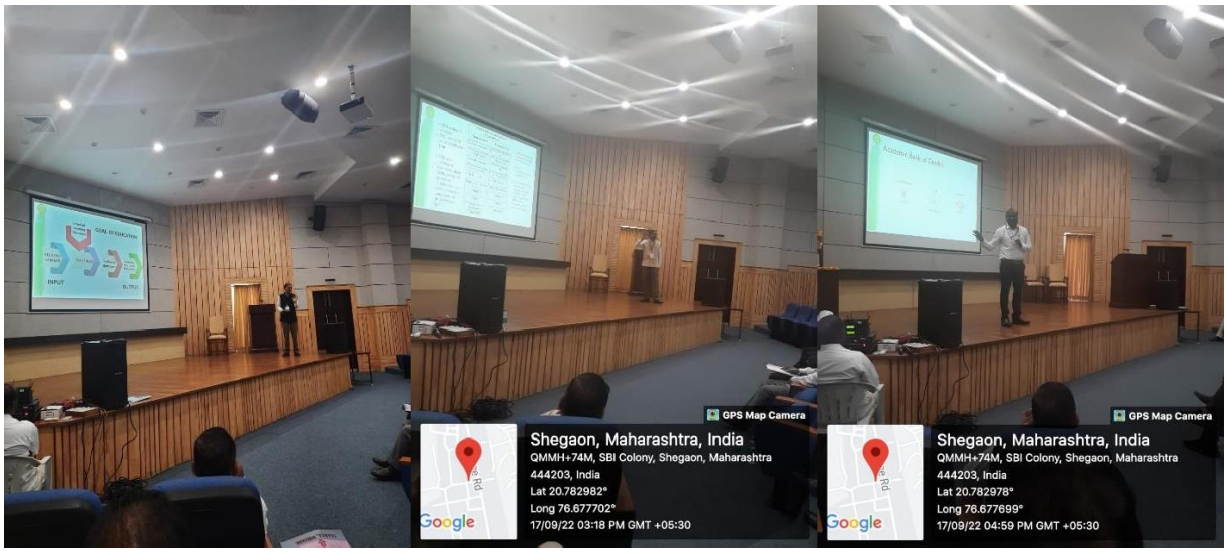
Dr. Thosar facilitated an explanation of how all-inclusive communication, offline and online teaching methods, modern assessment techniques (CO, PO, CSO, PSO, and Bloom's Taxonomy), and similar processes are useful for implementing a preference-based credit system systematically. He expressed the belief that modern Gurukuls can be established through NEP, complementing other government schemes.



Dr Kedar Thosar discussing with audience

Prof. Jayakumar Sharma, Head of IQAC at G. B. Murarka College of Arts and Commerce, Shegaon, shared information about grants for digital universities and computerization provided by the central government. He persuaded the audience on the significance of digitization as a powerful tool to thrive and progress in the global trend. He emphasized that universities can flourish by collaborating constructively with each other.

Prof. Dr. Santosh Bothe, Principal of Saraswati College, Shegaon, explained the credit-based system in simple terms. He highlighted that the hard work of renowned and experienced individuals has borne fruit in the form of the NEP system, and it is everyone's responsibility to contribute to its success. Additionally, he provided guidance on the Academic Bank of Credit and presented insights on how new courses should be prepared, emphasizing the numerous opportunities for quality courses in the future.



Speakers interacting with audience

Some of the selected questions asked -

- If students enroll in a virtual course, such as Coursera, do they have to pay separate fees in addition to the college admission fee? Will students receive any fee reduction in such a situation?
- Who will approve the syllabus prepared by the professor? How long will the approval process take?
- How should the new curriculum prepared by the professor be evaluated?
- How will the quality of the aforementioned courses be assessed?
- Which websites and documents provide comprehensive information about NEP and CBCS?
- How can continuous assessment and final session assessments be conducted?
- What should be the quality criteria for continuous assessment?
- How is the principle of student-centricity embedded in the NEP?
- What should be done if a new course is not recognized even after students have taken admission in it?
- What are your thoughts on multiple entry and multiple exit options?
- Will students who have completed the new course be eligible for government job exams?

Dr. S B Somani, Principal of Sri Sant Gajanan Maharaj College of Engineering, Shegaon, honored Professor Dr. Kedar Thosar by presenting him with a shawl. Subsequently, all college principals, represented by dignitaries, received certificates for the one-day training program for professors from various colleges.

Professors shared their thoughts on the training program, stating that it provided a new direction and increased enthusiasm. There is an expectation that the New Education Policy (NEP) will be implemented more effectively.

The vote of thanks was delivered by Prof. Sachin Bhagat, Vice-Chancellor of the university, expressing gratitude to Dr. Dilip Malkhede, Dr. Kedar Thosar, Dr. Jayakumar Sharma, and Honorable Shadarji Shinde. Prof. Bhagat also extended thanks to the principals and professors of all colleges for their wholehearted participation in the program. The event concluded with the National Anthem.

Objectives (100 words):

The Objectives of this Workshop:

- To give a great learning experience to students and faculty.
- To create a new perspective in students about their branch.
- To learn the concept of Power Distribution, Automation & SCADA System.
- To understand the rules and regulation of Power Distribution.
- To strengthened the understanding of Power Distribution.
- To learn the functioning of a SCADA System.
- To fill the bridge between technical concepts taught in curriculum and industry applied concepts.
- To understand the best and sustainable practices in load dispatch centres.
- To strengthened the understanding of students about the concepts of Power Distribution Practices.

Benefit in terms of Learning/Skill/Knowledge obtained:

- Students and faculty members learn the actual practices in Power Distribution.
- Students and faculty get the knowledge of Power Distribution.
- They get familiar with rules and regulation of Power Distribution.
- They get familiar with various processes and activities related with Power Distribution.
- They get the exposure of Power System Automation using SCADA.

Overall Report of the Activity:

Shri Sant Gajanan Maharaj College of Engineering, Shegaon, in association with Institution's Innovation Council has organized two days' workshop on **"Power Distribution, Automation & SCADA System"** during 21-22 February 2023 for the students and faculty members. The event was coordinated by Mr. R. S. Kankale. Around 60 students from 3rd year and 3 faculty members attended this workshop.

The coordinator started the session by welcoming the resource person Mr. Anil G. Patil, Retired Executive Engineer, MSEDCL, Nagpur. He also welcomed Dr. S. R. Paraskar (Head Department of Electrical Engineering) Faculty Members and students of Department of Electrical Engineering. The coordinator has given brief introduction of the speaker. Followed by that the session was handover to the speaker Mr. A. G. Patil. He started his presentation as per the schedule. During this workshop sir had covered following topics:

- Introduction to Power System and its Classification
- Overview of a substation and substation equipment
- Types of Power Distribution Systems
- Introduction to High Voltage Distribution System (HVDS)
- Distribution Automation – Need and its communication requirements
- Introduction to SCADA System

At the end of workshop, a question answer session was conducted in which participants asked their queries related to power distribution. Sir answered all the questions in a lucid way. The workshop ended with a vote of thanks. The session coordinator proposed a vote of thanks on behalf of Institution's Innovation Council Shri Sant Gajanan Maharaj College of Engineering, Shegaon.

All students expressed thanks to the officials for the opportunity given. This workshop was highly useful for the students in terms of practical knowledge about the power distribution.

Title of Activity	Webinar on **"Boundary Layer Theory"**
Organizer	IEI MECH SSGMCE Shegaon chapter
Schedule of Activity	4th Jan 2023
Objective of Activity	To Introduce the concept of formation of boundary layer on plate and its importance among the second year students of mechanical engineering.
Overview of Program	Dr. Sagar Agnihotri distinguished professor from Upasla University, Sweden shared his expertise in boundary layer theory, discussing its applications and relevance in various engineering disciplines. He explained the fundamental concepts, such as laminar and turbulent boundary layers, boundary layer separation, and drag reduction techniques. The webinar provided participants with a comprehensive understanding of this complex subject. Through engaging visuals and interactive discussions, Dr. Agnihotri facilitated a rich learning experience for the attendees. The students had the opportunity to ask questions and engage in meaningful discussions, further enhancing their understanding of the topic. The webinar played a crucial role in expanding the students' knowledge and inspiring further exploration in the field of boundary layer theory.
Venue	Shegaon
No. of Participants	38
Outcomes of the activity	Define the boundary layer in different forms. Solve the numerical on boundary layer theory.

Overview of the program:

Shri Sant Gajanan Maharaj College of Engineering, Shegaon, in association with Institution Innovation Council & CESSA has organized a Block chain Session coordinated by Dr. N. M. Kandoi, Computer Science and Engineering Department, SSGMCE, Shegaon. The event was enlightened by esteemed speaker Mr. Sourav Suman , Block chain Developer. The session was held from 18th March 2023 to 24 March 2023 in timing 07.00 AM to 10.00AM with a warm welcome by Dr. S. B. Patil (President IIC), Prof. P. A. Dalke (Converner IIC) and Dr.S.B Somani Principal SSGMCE Shegaon.

The speaker Mr. Sourav Suman as a block chain developer has conducted a hands-on training. Speaker stated that Block chain technology is simple to understand at its roots. Basically, the tech exists as a shared database filled with entries that must be confirmed by peer-to-peer networks and encrypted. Block chain helpful to envision it as a strongly encrypted and verified shared Google Document, in which each entry in the sheet depends on a logical relationship to all its predecessors, and is agreed upon by everyone in the network. But block chain technology has many more potential use cases beyond other than just serving as the fuel behind Bit coin. Below, we've outlined some of its emerging applications across finance, business, government, and other industries.

21 Students were registered for the session where the takeaways were the basics of Block chain, Ethereum, Solidity, tokens and nfts.The hands-on session has not only given the clear insights of the block chain but also mentioned the future scope like Block chain provides a new and dynamic means of organizing tracking data and putting it to use , Block chain technology could simplify this recordkeeping and make the data far more secure. The session was having doubt clearance on each day. It proved as a fruitful and knowledgeable session.

Student Orientation and Induction Program

Academic Year 2022-23

Shri Sant Gajanan Maharaj College of Engineering,

Sr No	Title of Activity	Innovation and Entrepreneurship in Academics Student Orientation and Induction Program
1	Speaker	Dr. Santosh Bothe, Principal, Saraswati College, Shegaon
2	Co-Ordinator	Prof H.S.Patil
3	Co-Coordinator	Dr.A.S.Tale
4	Schedule of Activity	Started from 25-11-2022 at 11.00am-12.00 noonTotal **1** Hr.
5	Time	As per the schedule mentioned in Student Orientation and Induction Training and notice
6	Objective of Activity	**1.** Familiarization: Introducing students to the campus, facilities, and resources available to them. This includes academic buildings, libraries, laboratories, recreational areas, and support services. **2.** Academic Guidance: Providing an overview of the academic structure, curriculum, course requirements, and expectations. This helps students understand what is required of them academically. **3.** Social Integration: Facilitating interactions among students, faculty, and staff to build a sense of community and belonging. Ice-breaking activities and group exercises often aid in this process. **4.** Information Dissemination: Offering essential information about policies, procedures, rules, an d regulations governing student life, including codes of conduct, safety protocols, and campus services. **5.** Support Services Orientation: Introducing students to support services available on campus, such as counseling centers, health services, career advising, and academic support centers.
7	Venue	**Offline Mode**
8	No. of Beneficiaries	Total- **450**
9	Syllabus/Topics	Innovation and Entrepreneurship in Academics

About Program:

The primary aim of this program is to ensure that students feel comfortable, informed, and supported as they embark on their academic journey at the institution.

Speaker Profile: Dr. Santosh Bothe, Principal, Saraswati College, Shegaon

Topics Covered: Innovation and Entrepreneurship in Academics

Learning Outcomes:

1. **Creativity and Problem-Solving:** Encouraging students to innovate fosters creativity and enhances their ability to identify, analyze, and solve complex problems using innovative approaches.
2. **Entrepreneurial Mindset:** Introducing entrepreneurship in academia helps students develop an entrepreneurial mindset characterized by risk-taking, resilience, adaptability, and a proactive attitude towards identifying and seizing opportunities.
3. **Critical Thinking and Analysis:** Engagement in innovation and entrepreneurship encourages critical thinking, analysis, and evaluation of ideas, business models, and market potentials.
4. **Collaboration and Teamwork:** In an entrepreneurial environment, students learn the importance of collaboration, effective communication, and teamwork while working on projects or ventures.
5. **Business and Financial Literacy:** Learning about business models, financial planning, budgeting, marketing strategies, and understanding market dynamics are fundamental aspects of entrepreneurship in academics.

Program Contents:

Dr. Santosh Bothe started his session by calling all the Indians as born Scientist and innovators. He described the path from first year of engineering to final year as a zigzag, one with full of ups and downs. He made the students aware of being felt like an engineer in first year and as he / she moves on, he / she knows about assignments, backlogs and as his / her final semester ends, he / she is an engineer with a confused degree in his/her hands.

He defined innovation and came up with four important innovations- HealthTech, FoodTech, EduTech & AgriTech. He went on to explain AI, Data Science and many other technologies.

During his session, he talked about his innovations in variety of fields. He guided students how to and how not to form a team. He motivated students to pursue research in their area of interest.
