Brief Summary of NSS Activities conducted during A.Y. 2018-19

- 1. NSS Unit formation-** As per the guidelines stated by Sant Gadge Baba Amravati University Under National Service Scheme, Institute level NSS Unit was formed for Academic Year 2018-19 which was led by Programme Officer Prof. N. S. Thakare and other members.
- 2. International Yoga Day Celebration (21st June 2018):** International Yoga Day was celebrated in the campus under the guidance of Yoga Instructor Ms. Sneha Gachake Mam, who enlightened the benefits of Yoga in health by performing enthralling yoga postures and creating awareness amongst students. Nearly 200+ students participated in this activity.
- 3. Tree Plantation (5th July 2018):** Tree plantation program was carried out in college campus under NSS Tree Plantation Drive. Total 50+ saplings were planted across suitable location by Hon. Dignitaries and invited guests. Prof. N. S. Thakare along with 100+ student volunteers coordinated the entire program successfully.
- 4. Celebration of Independence Day Celebration (15th August 2018)**
- 5. VOTER Awareness Program (16th Sept 2018):** Voter awareness rally was conducted on occasion of voter's day and local voter registration authorities from Tahsil Office along with Programme officer created awareness amongst the students and rural people.
- 6. Celebration of NSS Establishment Day (24th Sept 2018)**
- 7. Conduction of Special Camp under NSS Scheme at Kherda Gosavi (18th December 2018):** Eight days special camp was organized by NSS Unit at local area of Kherda Gosavi under which various daily activities were conducted like dental checkup of villagers, blood donation camp supported by local civil hospital authorities, cleanliness drive in the respective village, awareness about women empowerment etc. Various renowned activist take participation in this camp and share their valuable thoughts with students and villagers.
- 8. Conduction of Unnat Bharat Abhiyaan Program (23rd April 2019)**

Session 2018-2019

-

The National Service Scheme Camp inauguration for Shri Sant Gajanan Maharaj Engineering College, Shegaon, occurred on December 18, 2018, in the village of Kherda (Gosavi). The esteemed guests included Hon. Shri. Sharadji Shinde (Secretary, Shree Gajanan Shikshan Sanstha, Shegaon), Hon. Shri. Narayan Patil (Director Member, Shegaon), Dr. S.S. Somani (Professor, Shri Sant Gajanan Maharaj College of Engineering, Shegaon), and Smt. Anita Sathe (Deputy Sarpanch). The ceremonial lighting of the lamp marked the commencement of the program, which initiated with the reverence of the images of Sant Gadge Baba and Shri Sant Gajanan Maharaj. Following that, Dr. Somani provided guidance to the students through his speech.

The National Service Scheme Camp inauguration for Shri Sant Gajanan Maharaj Engineering College, Shegaon, occurred on December 18, 2018, in the village of Kherda (Gosavi).

Both villagers and students participating in the National Service Scheme camps benefitted from a variety of intellectual sessions. These sessions featured guidance on competitive examinations conducted on 18/12/2018 by Mr. Manohar Bhole from The Unique Academy, Pune. Furthermore, topics such as the advantages of soil and water testing, the significance of agricultural engineering (presented by Prof. Nitin Talokar and Prof. R.M. Kharate from Shri Uddhavarao Nerkar), Rainwater Harvesting with information and demonstration (presented by C.H. Jadhav and Shri Vilas Shettaye), and Disaster Management (presented by Prof. Hari Nair) were addressed. These sessions imparted valuable and insightful information.

Rainwater Harvesting with information and demonstration (presented by C.H. Jadhav and Shri Vilas Shettaye), and Disaster Management (presented by Prof. Hari Nair) were addressed. These sessions imparted valuable and insightful information on 19th Dec 2018

NATIONAL SERVICE SCHEME

Disaster management awareness program on 19th Dec 2018

Competitive exam preparation guidance on 20th Dec 2018

Soil study awareness program and rain water harvesting awareness on 19th Dec 2018

Zero Waste Management

Zero waste management highlights the importance of cleanliness. Moreover, the construction of the farm embankment serves as a symbol, conveying the message to save water. Similarly, the preparation of atrophy pits also required substantial contributions and hard work from the students involved.

Small scale dam construction work 19th December 2018

Preparation of Trees saplings under Unnat Bharat Abhiyaan Date: 23-04- 2019

Camp Preparation 17th December 2018

Camp Preparation 17th December 2018

Initial preparation were made by NSS Volunteers for camp to be held. Wood fuel were arranged for cooking purpose. Utensils were arranged. Tent and other resources were take care properly by NSS Unit.

Enlightenment Rally

In a bid to promote public awareness and underscore the significance of cleanliness in society, a village transformation initiative led by Rashtra Sant Gadge Baba was organized. The event included an enlightening program and rally. Throughout the event, students were enlightened with positive thoughts and uplifting songs, fostering a greater understanding of the importance of maintaining cleanliness in our communities.

Enlightenment Rally date: 23-02-2018

Enlightenment Rally by NSS Students date: 23-02-2018

Free Medical Camps

A free medical camp was organized to provide health checkups for the residents of the village and to educate them on maintaining good health.

Free Medical camp organized by NSS unit on 20-12-2018

This medical checkup camps specially focusses on women health in respective villages as it was considered to be most neglected subject in their day to day life. Total 23 women from village were benefitted by this check up camp.

Blood Donation Camp

For the first time in the village, a blood donation camp was organized to spread the message that donating blood is the most valuable contribution. The active participation of the people was commendable.

Blood Donation Camp : Date :20-12-2018

In all total 42 units of blood were donated by NSS volunteers, students of schools in village, and other villagers. Sai bai mote hospital of shegaon had coordinated the entire blood donation camp.

Veterinary camp

Additionally, a veterinary camp was organized to enhance the health of the animals, wherein essential vaccines were administered to ensure their well-being.

Animal Health check up camp 21 December 2018

In village, domestic animals are considered to be most valuable assets in farmers life. Hence their medical checkups are also necessary. In view of this, NSS unit organized one day veterinary medical checkup camp in village. Total 27 domestic animals including goats, cows and bullocks were benefitted by this camp.

Shri Sant Gajanan Maharaj College of Engineering, Shegaon

Tree planting Program

On Thursday, July 5, 2018, at 9:30 am, 50 trees were planted in the college premises on behalf of the National Service Scheme under Sant Gadge Baba Amravati Vidyapith. The event witnessed the presence of esteemed dignitaries, including the Honorable College Principal, Dr. S. B. Somani, College Program Officer Prof. Nitin Thackeray, Prof. Mrs. Priyanka Deshmukh, college faculty, staff, and a large number of RASEO volunteers.

The planting process began by digging pits of size 2 feet x 2 feet x 2 feet. A mixture of good alluvial soil (50%) and cow dung (50%) was added to the pits. The seedlings, removed from bags, were then planted separately. The spacing between plants was maintained at 6 meters for trees like wad, pimpal, umbar, and 4 meters for smaller trees. Dignitaries, including the college principal, actively participated in planting the trees within the college premises.

During the event, the dignitaries emphasized the importance of tree plantation in a guided speech, advocating for a positive perspective and social responsibility in conservation efforts. They urged students to implement the concept of 'One student, one tree' at home, underscoring the significance of tree conservation.

The principal of the college, Dr. S. B. Somani, the Program Officer of the National Service Scheme, Prof. Nitin Thackeray, Prof. Mrs. Priyanka Deshmukh, and other dignitaries were actively involved in the tree plantation initiative. The program saw enthusiastic participation from NSS cooperation executives and volunteers, highlighting the collective commitment to environmental conservation.

Subject: Request to depute **10th** standard students for the free one day training on Electronics Equipments and their Applications

Res. Madam

In the context of skill development which is the requirement of time, we are happy to inform you that, we have scheduled a program, at our institute in the session 2018-19. The programme is designed for the need of the student's community, to impart them the technical knowledge. The students registered under this activity will receive the certificate after the successful completion of said course. The full time attendance is compulsory for the course to receive the certificate.

We expect that, you will give wide circulation and publicity to this appeal so that every section of your college/school will undertake and depute interested students to the courses of their interest.

Please note that as a part of social commitment of the institute and in the interest of student community "No Fees" will be charged.

Course: Electronics Equipments and their Applications.

Date (Tentative): 2nd January, 2019

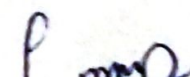

Duration: 11 am to 5.30 pm

Venue: EXTC Department, SSGMCE, Shegaon

Thanking you and expecting your cooperation in this regard.

SHRI SANT GAJANAN MAHARAJ COLLEGE OF ENGINEERING, SHEGAON

COMMUNITY DEVELOPMENT AND EXTENTION SERVICES CELL

(Session-2018-19)

Date: 24/07/2018

To,
All HODs
SSGMCE, Shegaon

R/Sirs,

The CDES cell was constituted in our college and working since many years. The CDES cell has successfully organized various programs during previous academic sessions. You and your team (faculty & staff of your department) played very important role in the conduction of such programs. Your departmental coordinator of CDES played key role in organizing these types of various courses/programs.

Now for re-structuring the CDES cell and organizing/conducting the various programs during session 2018-19, I need your cooperation in the followings-

1. Appointing one faculty member as a departmental coordinator and one staff member as a supporting member of CDES Cell, from your respective department and forward their name to undersigned on or before 04/08/2018.
2. Also the Departmental CDES Cell coordinator should prepare the action plan of activities/course/program to be conducted in your department under CDES cell for the session 2018-19 in the given format, with your consent and submit to undersigned on or before 11/08/2018 in soft as well as hard copy.

Your kind cooperation in this regard is highly expected.

Thanking you in anticipation

(R. S. Kankale)

Chief coordinator CDES-2018-19

Shri Sant Gajanan Maharaj College of Engineering, Shegaon
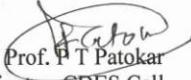

Department of Mechanical Engineering
Community Development and Extension Services Cell

Session: 2018-2019

Under the Scheme "Community Development & Extension Services" of our Institute Mechanical Engineering department, had organized Three days Workshop on "Introduction to Advance Welding Technology" session for students of "Government Industrial Training Institute (ITI)", Shegaon at Welding shop of central workshop. Through this program 38 students benefited. Detail of the program as:

Date	16 th , 17 th and 18 th Jan, 2019
Venue	Shri Sant Gajanan Maharaj College of Engineering, Welding shop of central workshop, Mechanical Engineering Department, Shegaon
Audience	Student of Government ITI, Welding trade, Shegaon

Details about Sessions

Session 1

In this session we give detail information about the safety precautions which are to be followed while working in welding shop. Then we also recall some theory of basic welding technology, various welding processes, types of welding, types of electrodes used for welding, purpose of the electrodes, and various applications of welding process. We focused on the types of welded joints and their applications. We had also provided the information about the advantages and disadvantages of welded joints over other metal joining processes.

Summary of Session 1

Session 1 : Basic of conventional Welding process

Speaker Prof. P T Patokar
Duration 2 Hours

Session 2

In the second session of the training, we had discussed and show the demo of various welding processes carried out in the welding shop of the department. This includes Arc welding, gas welding, TIG, MIG and spot welding. After this session students are able to understand the basic difference between various welding processes.

Website- www.ssgmce.ac.in

Summary of Session 2

Session 2 : Demo of various welding operations

Speaker Sh. V R Rahate
Duration 2 Hours

Session 3

In this session we were provided with the raw material required to make the welded joint and they were ask to prepare the edges of the joint. Now, each student is having its own work piece on which he/she has to perform the practical. Firstly, with the help of the rough and smooth file, all the raw material is made in the required sizes and then edge preparation is done.

Summary of Session 3

Session 3 : Hands on practice of joint preparation

Speaker Sh. V. R. Rahate and Sh. Wasim Shah
Duration 2 Hours

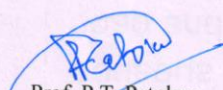

Session 4, 5 and 6:

The last session of our workshop was actual performance of the practical. The students are divided in the two groups. While one group is working on the TIG welding machine the other group is engaged on the MIG welding machine. After the joint is prepared, the groups are alternated and the second joint was done. Then it is required to have the finishing of the welded joint, so we have given them the demo of how to finish the welded joints and after that the finished jobs were collected from the students.

Summary of Session 4, 5 and 6

Session 4, 5 and 6 : Hands on practice of joint preparation

Conduction of Theory session of course on Advance welding technology

Shri Sant Gajanan Maharaj College of Engineering, Shegaon

Department of Electrical Engineering

Community Development and Extension Services Cell

Session: 2018-2019

Under the Scheme “Community Development & Extension Services” of our Institute Electrical Engineering department had organized three days training Program on “**Operation and Control of Electrical Motors**” for first Year Students of “Late Sau Meenatai Jadhav Pvt Industrial Training Institute”shelgaon Ujad,at Basic Electrical Engg, Electrical Machines Lab & Power System Lab (Electrical Engineering Department).Through this program 27 students gets benefited.

Detail of the program as:

Date	31 st Jan to 2 nd Feb 2019
Venue	Shri Sant Gajanan Maharaj College of Engineering , Basic Electrical Engg ,Electrical Machines Lab,Power System Lab Electrical Engineering Department , Shegaon
Target Group	First year Electrician trade students ,Late Sau Meenatai Jadhav Pvt Industrial Training Institute shelgaon Ujad ,Taluka: Shegaon

Details about Sessions:

Day –1 (31st January 2019)

Inauguration : The Program was inaugurated at the hands of Dr. S.B.Somani,(Principal) , Prof.R.S. Kankale (Chief coordinator CDES cell),Miss Rashmi Dalvi & Miss Sonal Kasodiya (Faculty Late Sau Meenatai Jadhav Pvt ITI shelgaon Ujad),along with the teaching, non-teaching and supporting staff of Electrical Engineering Department .

Session-I : The students were introduced to D.C.Machines (Construction,operating Principle), types of DC Motors, necessity & types of starters for DC Motors ,load test on DC shunt Motor, characteristics of DC Motors

Summary of Session I :

Session I : 1) D.C.Machines (Construction,operating Principle) 2) Types of DC Motors 3) Necessity & Types of Starters for DC Motors 4) Load Test on DC shunt Motor 5) Characteristics of DC Motors	
Speaker	Prof.G.N.Bonde ,Prof. A.S.Welankivar & Prof. V.S.Karale
Duration	03 Hour

Session-II : The students were introduced to Various Methods of Speed control of DC Series & DC Shunt Motor.

Summary of Session II :

Session II : Various Methods of Speed control of DC Series & DC Shunt Motor	
Speaker	Prof .M..R..Chavan
Duration	02 Hour

Day – 2 (1st Feb 2019)

Lab Session – I : In this session, Practical's based on load test & Speed-control of D.C.shunt motors (Armature & Field control) was conducted for all students (with in a group of four students) in Electrical Machines lab.

Summary of Lab Session I :

Lab Session I : Practical's based on load test and Speed-control of D.C. Motors	
Conducted by	Prof.P.R.Bharambe,Prof. R.K.Mankar, Prof. M.R.Chavan ,Prof. V.S.Karale , Mr.P.R.Unhale
Duration	03 Hours

Lab Session – I : In this session, Practical's based on various types of wiring was conducted for all students (with in a group of four students) in Power system lab.

Summary of Lab Session I :

Lab Session I : Practical's based on various types of wiring	
Conducted by	Mr S.D.Thorat ,Mr. P.P.Dharashivkar
Duration	03 Hours

Practicals in Electrical Machines lab & Power system lab to be conducted simultaneously during Lab session –I session.

Lab Session –II : In this session,Demostration of Roof Top Solar Power Plant was conducted for all students at Roof of Faculty Building .

Summary of Lab Session II :

Lab Session II : Demostration of Solar Power Plant	
Conducted by	Prof .N.G.More
Duration	02 Hours

Day – 3 (2nd Feb 2019)

Lab Session –III : In this session, demostration of Generator, introduction to Pole Mounted Substation was conducted for all ITI students in Power House.

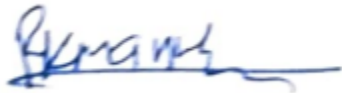

Summary of Lab Session III :

Lab Session I : Practical's based on Demostration of Generator & introduction to Pole Mounted Substation	
Conducted by	Mr.S.P.Kanherkar, Mr S.D.Thorat ,Mr. P.P.Dharashivkar
Duration	02 Hours

Feedback & Valedictory Session:

Before the Valedictory Session begin the participants were offered to share their views about the program in which they expressed their gratitude towards the institution and shown a huge symbol of enthusiasm to participate again in such type of activities in the future. In the further session the participants were awarded with certificates at the hands of Dr.S.B.Somani, Prof U.A.Jawadekar & Prof. R.S. Kankale & Prof. P.R.Bharambe

The valuable Guidance from Dr. S.R.Paraskar (HOD, Electrical Engineering Department) co-operation from Prof. P.R.Bharambe & coordination from teaching ,non-teaching and supporting staff of Electrical Engineering Department made this three days CDES program successful.

Prof. R. K. Mankar

Sub: - Permission for CBL Project

Respected sir,

As per your letter regarding CBL project of MBA students for silent National Anthem. We granted permission for practice of silent Nation Anthem on Saturday and Sunday time 12 p.m. to 4 p.m. So they can work on their CBL project. Last year's students of your collage done very well efforts and now they also attached with our school.

Thanking you!

Yours Faithfully

(Deepak Agrawal)

CBL Report
Group 8

Slum :-

Slum is an area in the city where there is lack of basic facilities and where downtrodden people struggle for their living and basic needs of life.

Objectives of this CBL

- ❖ **To give basic education to kids & women.**
A to z, 1 to 10 no.
- ❖ **To make them aware about importance of hygiene.**
- ❖ **To make them aware about importance of girls education.**
- ❖ **To make them aware about health issues.**

To make them aware about importance of hygiene.

Students visiting slum area for creating awareness regarding hygiene on 15-09-2019
