**HOSTEL OFFICE (Boys & Girls)**  
**ANTI-RAGGING NOTICE**

Date: 05/01/2025

All students are hereby informed that **ragging has severe psychological, emotional, academic, and legal consequences**. What may appear to some as a harmless activity can cause lasting trauma, loss of self-confidence, fear, anxiety, depression, and serious emotional distress to the victim. In extreme cases, ragging has led to **academic failure, mental health issues, and loss of life**.

Ragging also has serious repercussions for those involved in such acts. As per **UGC regulations and institutional rules**, students found guilty of ragging are liable for **strict disciplinary action**, including suspension, cancellation of admission, expulsion from the institute, and legal proceedings that may adversely affect their future career and reputation.

The institute strongly urges all students to understand the harmful impact of ragging and to uphold values of **empathy, respect, and responsible behavior**. Any incident of ragging, whether experienced or witnessed, must be reported immediately to the **Anti-Ragging Committee, Anti-Ragging Squad**, wardens, or faculty members without fear.

Let us work together to ensure a **safe, supportive, and ragging-free campus**, where every student can learn and grow with dignity and confidence.
