Message from **the Principal**

Dr. S. B. Somani

Principal

On behalf of the faculty, staff and our fellow students, I am pleased to welcome you to Shri Sant Gajanan Maharaj College of Engineering (SSGMCE), Shegaon. I am glad to share that SSGMCE holds a good position in terms of academic results, placement, MOUs with national and international bodies, publications, research grants to faculty members and vast sports arena.

I take this opportunity to invite esteemed organizations for the development of students through Trainings, Internships and Placements. We feel immense joy in extending an invitation to visit our institute for participating in Campus Recruitment Drive for the students of 2023-24 batch. We will feel privileged if you would provide an opportunity to our students for campus placements.

Message from
Training and Placement Officer

Prof. Adesh B. Solanke

Training and Placement Officer

+91 9422926420

placements@ssgmce.ac.in

The institute has an exclusively independent Training and Placement Cell as a separate department to create and strengthen bridge between institute and industry/corporate bodies in the interest of student's trainings and placements. T & P Cell organizes various skill and employability enhancement programmes to improve overall personality of the students. The T & P Cell is highly equipped with internet enabled modern audio-visual facilities as per industry standards to carry out training and placement activities virtually.

We, T & P cell and Departmental T & P Co-ordinators, work as a team to place the students and believe in the truth that teamwork is more important than ever. We Co-ordially invite you for the placements of BE and MBA students by participating "Campus Placement Drive 2023-24". It is indeed an honor to present our students to your esteemed organizations and we look forward to your cooperation in the placements of our students.

Academics

• Curriculum

Great emphasis during the classes is laid on core fundamentals and concepts. The examinations are designed to reflect the understanding of the fundamentals in practical fields.

• Electives

In order to boost interest in other facilities of technology, the students can take up electives and/or audit courses from department other than their core area of specialization.

• Projects

It is mandatory for all B.E, and MBA students to take up projects under the supervision of the faculty. These comprise the basic development of application oriented research projects.

• Internships

To get an industry exposure, all the students of B.E. and MBA are to undergo 45 days Summer internships compulsorily.

• Industrial Visits

Students are exposed to latest industrial practices through several industrial visits during their course. Students are also encouraged to undergo industrial training during their summer vacations.

• III-CELL

The III-CELL promotes faculty members and students to visit industries to get technology Information from the horse's mouth and also recognize industrial problems which can be handled by the Institute workforce.

Academic Programmes

• Under Graduate Programmes (B.E.)

The admission to various undergraduate programmes in Engineering are done through MHT-CET and JEE.

- Computer Science and Engineering
- Electrical Engineering (Electronics and Power)
- Electronics and Telecommunication Engineering
- Information technology
- Mechanical Engineering

• Post Graduate Programmes (M.E.)

The admission to various postgraduate programmes in engineering are held through GATE.

- Electrical Power System
- Digital Electronics
- Computer Engineering
- Advanced Manufacturing & Mechanical Systems Design

• Post Graduate Programmes (M.B.A.)

The admission to MBA programmes are done through MHT-CET (MBA).

- MBA-Human Resource
- MBA-Marketing
- MBA-Finance

Training Activities

- **Wipro Talent NXT Full Stack Java Certification**

Wipro Talent NXT initiative was CSR Training Programme on Full Stack Java to make students future technology and industry ready.

- **SAP Hana & Fiori Certification**

SAP Hana & Fiori Certification course was offered to BE CSE / IT students as per the demand from the software industry. It helps candidates to enrich their knowledge to enhance the career opportunities.

- **Salesforce Administrator Certification Programme**

The certificate training of Sales Force was gioven to students of BE third year (CSE/IT/E&TC). The advantage being certified candidates are High Value Deals, Competitive Edge and Positive Customer for the company.

- **Auto CAD Certification Training:**

AutoCAD training of 30hrs for the students BE final year of Mechanical/ Electrical and Electronics & telecommunication was organized. pursue a career in various fields, including architecture, interior design, drafting, mechanical, electrical, and civil engineering and boost your salary potential.

- **TCS Microsoft Business Unit (SIRIUS) Certificate:**

AZ 900 and PL 900 certification programme was offered by TCS-Microsoft Business Unit’s SIRIUS (the CSR activity) programme. Becoming Azure certified can help you advance your cloud computing career by showing you know the fundamentals of the cloud along with Azure's services, architecture, governance, and management.

- ## TATA Strive – Google Career Certificate:

Certification programme in Google IT Automation, Google Advance Data Analytics, Google Digital Marketing & E-commerce, Google IT support, Google Project management, etc so that students can excel in their IT career.

- ## Persistent Systems Pvt. Ltd.’s (PSL) JAVA Full stack Development Certification:

JAVA Full Stack development training and Certification programme was offered to students under “ The Martin Progamme” of PSL.

- ## Soft Skill and Aptitude Development Programme:

Soft skill and Aptitude development programmes are the integrated part of “Placement Enhancement Initiatives”. Both the training helps students to sail through recruitment processes.

- ## Soft Skill and Aptitude Development Programme:

Soft skill and Aptitude development programmes are the integrated part of “Placement Enhancement Initiatives”. Both the training helps students to sail through recruitment processes.

- ## Google Cloud Career Launchpad Programme Certification on

  - Cloud Engineering Certificate (ACE),
  - Cloud Digital Leader Course Series (CDL),
  - Data Analytics Certificate (ADP),
  - Cloud Cybersecurity Certificate (CYBER),
  - Generative AI Leader Course Series (GAIL),
  - Google Cloud Computing Foundations (GCCF).

Additionally other software certifications like Cyber Security, data Science,Data Analytics etc. on Coursera Platform.

Extra-Curricular Activities

- **Orientation**

The goals of the orientation programs are to create student's familiarity with the institution's regulations and academic standards, acquaint the students with their classmates and to learn about the other institutional members that will help students succeed.

- **Techfest**

Technical fest is an essential part of course curriculum as it gives a platform to young brains to showcase their innovative ideas and compete with their peers. The main objective of the program is to promote innovative thinking and practical skills through real life technological projects.

- **Culfest**

Cultural fest gives lot of social benefits, the biggest being cohort interaction. Students get a chance to medley with people from different walks of life. Organizing and participating in fest activities needs arduous efforts and stern dedication.

- **Alumni Meet**

The main aim of the Alumni Association and Alumni Meet is to provide a good and strong bridge for the students, faculty and the institute for mutual benefit and synergy. It also aims at exchange professional knowledge, organize technical conferences, seminars workshops and training courses, provide career development and guidance, organize and establish scholarship funds to help the needy and deserving students etc.

- **"Parishkriti" MBA Dept Fest**

The fest is aimed at bringing out the competitive spirit of students and test their business acumen, skills and knowledge. It is an amalgamation of various events under the Marketing, HR, Finance, etc. to bring out the best from participants under controlled and simulated environments.
